

150W Solar Energy Street Lights

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE ROHS
- Model Number: YHZ-SSL
- Minimum Order Quantity: 10pcs
- Price: USD18.00-29.00/PC
- Packaging Details: Foam+Carton
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Item Type: Solar LED Street Lights
- Working Lifetime(hour): 50000
- Warranty(year): 2
- Working Temperature(): -20 - 60
- Lamp Luminous Efficiency(lm/w): 110
- Led Light Source: SMD3030
- Highlight: **150W solar energy street lights,**
150W Solar LED Street Light

Product Description

High lumen outdoor Ip65 50w 100w 150W led solar street light with mounting bracket

Solar Street Light Advantage:

1. Integrated Design, Aluminum alloy case.
2. Night sensor + PIR motion sensor+Remote Control.
3. Detachable design of battery pack and led chip, saving maintenance cost.
4. Its solar panel can be adjustable to absorb more sunlight according to different installation location.
5. Easy to install and Auto on/off/PIR.

It's designed with beautiful streamlined appearance, adopting thicker and pure aluminum housing, anodized treatment. It's upgraded functionally by adopting high-quality Lithium battery, higher efficiency solar cell, intelligent controller, improved the lighting backup time greatly.
