

## 100 Watt High Brightness Outdoor LED Street Light 6000K

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE ROHS IES
- Model Number: YHZ-SL-100W
- Minimum Order Quantity: 1pc
- Price: USD44.00-USD50.00/PC
- Packaging Details: Foam+Carton
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, Western Union, MoneyGram, T/T
- Supply Ability: 3000PCS

### Product Specification

- Product Name: 100W High Brightness Led Sreet Light  
Outdoor Light 6000K
- Item Type: Outdoor LED Street Light 100W
- Working Lifetime(hour): 50000
- Working Temperature( ): -20 - 60
- Lamp Body Material: Aluminum Alloy
- Lamp Luminous Flux(lm): 120lm/W
- Lamp Material: Aluminum Heat Sink+Optical Lens
- Highlight: **6000K Outdoor LED Street Light,**  
**100 Watt Outdoor LED Street Light,**  
**6000K led 100 watt street light**

## Product Description

### 100W high brightness led street light outdoor light 6000K

#### Brief introduction

LED street lamp refers to the street lamp made with LED light source. It has the unique advantages of high efficiency, safety, energy saving, environmental protection, long life, fast response speed and high color rendering index. It is of great significance to energy saving of urban lighting.

#### Application:

LED street lights are mainly used for road lighting such as main roads, secondary roads, branch roads, factories, schools, gardens, urban squares, courtyards, etc.

#### Product parts:

Led street light is closely related to people production and living, with the speeding up of urbanization in our country, LED street lamp with directional light, low power consumption, good drive performance, fast response, high seismic ability, long service life, green environmental protection advantages of gradually into people's horizons, to become the world's most advantages instead of traditional light source of a new generation of energy-saving light source, therefore, LED street lights will become the best choice of energy-saving road lighting renovation.

Model	YHZ-SL-100W
Power	100W
Luminous Flus	12000LM
CCT	3000-6000K
Power Factor	>0.95
Optical Lens	T2 T3 T4 T5
Lumem	110-120lm/w
Ip Rate	Ip65
Color temperature	3000k-3500k
	5000k-6000k
Work Temperature	charging:0°C~+60°C
	discharging:-20°C~+60°C
	Storage:0°C~+45°C
Working voltage	AC85-265V
Certificate	CE / ROHS/IP65
Warranty	3-5years

**Product features:**

- 2 years warranty
- Excellent self-cleaning function;
- With the best quality.
- They are assembled module by module,easier for replacing
- Horizontal or vertical installation are avialable;
- Tiny package and lighter,lower freight cost,more competitive in the market
- Avaiable for warehouse,tunnel lighting,advertisement ,gas station and factory lighting etc
