

## 120lm/W 100W Led Street Light IP65 Waterproof

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE ROHS IES
- Model Number: YHZ-LSL-100W
- Minimum Order Quantity: 1pc
- Price: USD32.00-USD35.00/PC
- Packaging Details: Foam+Carton
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, Western Union, MoneyGram, T/T
- Supply Ability: 3000PCS

#### Product Specification

- Product Name: 100W Led Street Light Price IP65 Waterproof
- Item Type: Outdoor LED Street Light 100W
- Working Lifetime(hour): 50000
- Working Temperature( ): -15 - 65
- Lamp Body Material: Aluminum Alloy
- Lamp Luminous Flux(lm): 120lm/W
- Lamp Material: Aluminum Heat Sink+Optical Lens
- Highlight: **120lm/W 100W Led Street Light,**  
**IP65 100W Led Street Light,**  
**120lm/W 100 watt led street light**

## Product Description

### 100W Led Street Light Price IP65 Waterproof

#### Brief introduction

Led Street Light is closely related to people production and living, with the speeding up of urbanization in our country, LED street lamp with directional light, low power consumption, good drive performance, fast response, high seismic ability, long service life, green environmental protection advantages of gradually into people's horizons, to become the world's most advantages instead of traditional light source of a new generation of energy-saving light source, therefore, LED street lights will become the best choice of energy-saving road lighting renovation.

#### Application:

LED street lights are mainly used for road lighting such as main roads, secondary roads, branch roads, factories, schools, gardens, urban squares, courtyards, etc.

#### Product parts:

LED street light is different from conventional street lamp, LED light source using low voltage DC power supply, by GaN-based power type blue LED and yellow synthesis of efficient white light, with high efficiency, safety, energy saving, environmental protection, long life, fast response speed, high color index unique advantages, can be widely used in the road.

The outer cover can be made with high temperature resistance up to 135 degrees and low temperature resistance up to -45 degrees.

Model	YHZ-LSL-100W
Power	100W
Luminous Flus	13000LM
CCT	3000-6000K
Power Factor	>0.95
voltage	85-265V50/60Hz
Lumem	110-130lm/w
Ip Rate	Ip65
Color temperature	3000k-3500k
	5000k-6000k
Work Temperature	charging:0°C~+60°C
	discharging:-20°C~+60°C
	Storage:0°C~+45°C
Color rendering index	70
Certificate	CE / ROHS/IP65
Warranty	3years

**Product features:**

3 years warranty

Excellent self-cleaning function;

With the best quality.

They are assembled module by module,easier for replacing

Horizontal or vertical installation are avialable;

Tiny package and lighter,lower freight cost,more competitive in the market

Avaiable for warehouse,tunnel lighting,advertisement ,gas station and factory lighting etc
