Basic Information

- Place of Origin: china
- Brand Name: yahua lighting
- Certification: ce ,rohs ,ip65
- Model Number: YHZ-UFOA-200W
- Minimum Order Quantity: 1 piece
- Price: negotiation
- Packaging Details: carton
- Delivery Time: 5-8 works day
- Payment Terms: L/C, Western Union

Product Specification

- Wattage: 200W
- Voltage: 85-265V50/60Hz
- Color Temperature: 3000K-6000K
- CRI: 70
- Packing Size: 43*42*17.5cm
- Weight: 4.2kg
- Protection Grade: IP65
- Lighting Materials: Die Cast Aluminum + PC Lens/glass
- Highlight: Ufo LED High Bay Light 200W,
LED High Bay Light 200W 6000K,
3000K 200w ufo led high bay light

Product Description

Black Ufo Shape LED High Bay Light 200W

Product description:

The high bay light adopts ultra-bright LED white LED mining lamp as the light source. The shell adopts aluminum alloy, the coat adopts efficient lens, and the heat sink adopts copper aluminum alloy for heat dissipation. The heat dissipation effect is better.

Feature:

- 1.Excellent decorative effect, the appearance can choose a variety of colors, simple installation, convenient disassembly, wide range of application.
- 2.The service life is more than 50,000 hours, more than 10 times longer than the traditional light source.
- 3.Green environmental protection, no pollution, no lead, mercury and other pollution elements, no pollution to the environment.
- 4.Good color rendering, more real to the physical color.
- 5.Good heat dissipation.
- 6.High light flux, energy saving effect is obvious, compared with sodium lamp can save more than 70% energy.

Application:

Applicable to factories, industrial and mining enterprises, petroleum, workshop, warehouse, highway toll station, gas station, large supermarkets, exhibition hall, smelting and other inflammable and explosive places for lighting or floodlight.

Product detail:

Wattage	200W
Voltage	AC85-265V50/60Hz
Color Temperature	3000K-6000K
Ra	70
Power factor	>0.95
Waterproof	IP65
Certificate	CE/ROHS/IP65
Led Type	SMD3030
Product Size	Φ388MM
Lighting Materials	Die cast aluminum + PC lens/glass
