

IP65 6500K Outdoor Solar Sensor Wall Lights 20 Led With Motion Sensor

Our Product Introduction

Basic Information

- Place of Origin: china
- Brand Name: yahua lighting
- Certification: ce ,rohs ,ip65
- Model Number: YC-SW5050-PIR
- Minimum Order Quantity: 1 Piece
- Price: negotiation
- Packaging Details: carton
- Payment Terms: L/C, T/T

Product Specification

- Model: YC-SW5050-PIR
- Protection Class: IP65
- Materials: ABS
- Color Temperature: 6500K
- Highlight: 6500K Outdoor Solar Sensor Wall Lights,
IP65 Solar Sensor Wall Light,
6500K solar sensor wall light 20 led

Product Description

Outdoor Solar Sensor Wall Lights

Product Description:

Outdoor solar sensor wall lamp can not only illuminate, but also play an outdoor decorative effect. Solar induction wall lamp is a kind of wall lamp, relying on the absorption of the sun's luminosity during the day to charge, night automatic light of a new type of environmental protection wall lamp. The wall lamp in someone close, can automatically light up, sensing distance is 3-5 meters, sensing Angle is 120 degrees.

Feature:

1. Automatic charging during the day, automatic discharge at night.
2. Stable and reliable.
3. It has human body sensing function.
4. No harm to the eyes.
5. Long service life.

Product detail:

Solar panel	Polysilicon 5.5V 0.55W
Battery	18650 Lithium Battery
Light source	20pcs LED
Material	ABS
CCT	6500K
Product size	96*126*50mm
Waterproof	IP65
Certificate	CE/ROHS/IP65

Packaging:

The packaging of the product is sealed with plastic bag inside and carton outside. It can also be packed according to users' requirements.
