

Sport Stadium LED Flood Light 200w 500w Outdoor IP65 160LM/W Adjustable Angle

Our Product Introduction

for more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE ROHS IES
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs per month

Product Specification

- Power: 100/200/300W
- Protection Class: IP65
- Color Temperature: -40 -+50
- Material: Die-cast Aluminum
- Life Hours: 50000 Hours
- Power Supply Efficiency: >97%
- Luminous Flux: 1000Lm-30000Lm Flux
- Warranty: 3-5 Years
- Highlight: **Waterproof Outdoor LED Flood Lights, Sport Stadium LED Flood Light 200w, 160LM/W Outdoor Flood Lights**

Product Description

Products Description

Our floodlights are an excellent choice for those looking for bright and cost-effective outdoor lighting. These floodlights come with an impressive luminous efficacy of 150LM/W, which ensures superior brightness while using less power. They are designed with a tempered glass panel that protects the electrical components and provides even light distribution, guaranteeing durability and high performance. Furthermore, their flexibility is enhanced with a 270-degree rotation feature, allowing you to direct the light in any direction you choose, making them ideal for a variety of outdoor applications.

Advantages

1: Keep the Night View Alive

This powerful LED floodlight ensures that you can enjoy your beautiful outdoor view even after the sun sets. It has a luminosity of 20,000 lm, with 240 LED lights arranged in four cells, creating a symmetrical, comfortable, and cold white light with a color temperature of 6500K - similar to natural sunlight.

2: Efficient, Durable, and Versatile

Our LED Sports Ground Floodlights are not only efficient and durable; they also come with a waterproof and dustproof casing that meets IP65 standards. This feature ensures that their electrical components are adequately protected from heavy splashes of water or dust. With a broad operating temperature range of -4 to 149 °F, these floodlights can be used almost anywhere outdoors.

3: A++ Energy Efficiency Rating

These LED Sports Ground Floodlights have an impressive energy efficiency rating of A++. Even with its high intensity and luminous flux, you can rest assured that it won't take a toll on your pocket as it has a runtime of up to 50,000 hours. Additionally, it has an impact protection rating of IK08, making it exceptionally sturdy and durable.

Technical Specifications

Input Voltage	AC85-265V/50Hz
Material	Die-cast aluminum
Certification	CCC, CE, ROHS
IP Rating	IP 65
Lifespan	5000 hours+
Light Source	LED
Working Temperature	-40 -50
Color Temperature	3000K-6500K
Power Supply Efficiency	>97%
Power	90w-300w optional
Luminous Flux	1000Lm-30000Lm flux
Warranty	3-5 years

Features of LED Floodlights

1: Energy-Efficient and Economical LED Technology

Our LED Sports Ground Floodlights offer highly efficient and cost-effective LED technology that consumes less energy.

2: High Power Output

These floodlights have a power output of 200W, which makes them powerful enough to light up large areas.

3: Bright and Luminous

With a luminosity of 20,000 lm, our LED Sports Ground Floodlights ensure that you get maximum brightness for your lighting needs.

4: Uniform Light Distribution

These floodlights provide a symmetrical light distribution over a large area and come with a beam angle of up to 145°, ensuring that every corner of your outdoor space is illuminated.

5: Cold White Light with Natural Feel

The cold white light of these floodlights has a color temperature of 6,500 K, which creates a natural outdoor atmosphere.
