Integrated Solar LED Street Light 30W - 200W For Outdoor Lighting

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, FCC
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

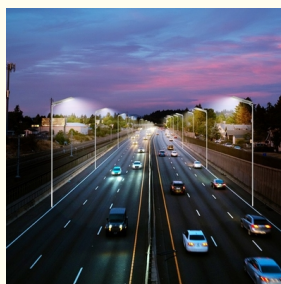

Product Specification

- Light Distribution: Symmetric/Asymmetric
- Lighting Mode: Motion Sensor, Timer Control
- Working Temperature: -40°C-60°C
- Material: Aluminum Alloy
- Life Span: 50,000hrs
- Power: 30W-200W
- Voltage: AC85-265V
- Highlight: Integrated Solar LED Street Light 30W, Outdoor Integrated Solar LED Street Light, 265V Solar Street Lighting

Product Description

Product Description:

Solar LED Street Light is an energy-efficient and cost-saving lighting solution for outdoor roads, pathways, and public places. It utilizes renewable solar energy to provide illumination, and its integrated design greatly reduces the cost of maintenance and installation. This solar street light is equipped with high-efficiency solar panels that can convert solar energy into electricity. It features a long life span of up to 50,000 hours, a high CRI rating of Ra>80, and a wide range of color temperatures from 3000K to 6500K. This solar street light also provides a wide beam angle of 120° and is available in power ratings from 30W to 200W. It is an ideal choice for your solar street light all in one, solar lights for road, and solar lights for pathway applications.

Features:

Product Name: Solar LED Street Light

Power: 30W-200W

IP Rating: IP65

Light Distribution: Symmetric/Asymmetric

Working Temperature: -40°C-60°C

Color Temperature: 3000K-6500K

Solar Street Light All In One

Solar Lights For Road

300W LED Solar Street Light

Applications:

Yahua Lighting's 300W All-In-One Solar LED Street Light provides an ideal lighting solution for outdoor lighting, with its high lumens of 3000 to 18000lm, made of aluminum alloy material, and color temperature ranging from 3000K to 6500K. It is waterproof with IP65 rating, and has adjustable motion sensors and timer control features for convenience. This product is certified for CE, RoHS, and FCC standards, ensuring quality and safety. The 300W All-In-One Solar LED Street Light from Yahua Lighting is the perfect choice for any outdoor lighting needs.

Technical Parameters:

Parameter	Value
Luminous Flux	3000-18000lm
Material	Aluminum Alloy
Warranty	3-5 Years
Certification	CE, RoHS, FCC
Working Temperature	-40°C-60°C
Life Span	50,000hrs
Voltage	AC85-265V
Lighting Mode	Motion Sensor, Timer Control
CRI	Ra>80
Beam Angle	120°
Product	Solar LED Street Light
Keywords	Solar lights for road, 300w led solar street light, 300w led solar street light price

Customization:

Customized Solar LED Street Light

Brand Name: Yahua lighting

Place of Origin: China

Certification: CE, RoHS, FCC

Working Temperature: -40°C-60°C

Warranty: 3-5 Years

Material: Aluminum Alloy

Life Span: 50,000hrs

All-in-One Solar Street Light

FAQ:

Q: What is the brand name of the Solar LED Street Light?

A: The brand name of the Solar LED Street Light is Yahua Lighting.

Q: Where is the Solar LED Street Light manufactured?

A: The Solar LED Street Light is manufactured in China.

Q: What certifications does the Solar LED Street Light have?

A: The Solar LED Street Light has CE, IP65, and ROHS certifications.

Q: How bright is the Solar LED Street Light?

A: The brightness of the Solar LED Street Light depends on the wattage of the LED.

Q: How long does the Solar LED Street Light last?

A: The lifetime of the Solar LED Street Light is typically around 50,000 hours.
