IP65 Aluminum Alloy Solar LED Street Light All In One 30W - 200W

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, FCC
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- CRI: Ra>80
- Lighting Mode: Motion Sensor, Timer Control
- Working Temperature: -40°C-60°C
- Color Temperature: 3000K-6500K
- Warranty: 3-5 Years
- Voltage: AC85-265V
- Power: 30W-200W
- Highlight: Aluminum Alloy Solar LED Streetlight, 265V Solar Street Lamp, 30W Solar LED Road Lights

Product Description

Product Description:

Solar LED Street Light is the perfect choice for illuminating roads, parks, pathways, and other areas where bright lighting is needed. It is designed to work in extreme weather conditions, from -40°C to 60°C, and with a high IP Rating of IP65, it is able to withstand harsh weather conditions such as rain, snow, wind, and dust. It provides an incredibly bright light, with a luminous flux of 3000-18000lm, making it the perfect choice for illuminating dark areas. This product is built with the highest quality materials and is certified by CE, RoHS, and FCC. The Solar LED Street Light is the ideal lighting solution for your roads, parks, and pathways due to its all-in-one design and high-quality materials. It provides a reliable and energy-efficient lighting solution for your outdoor lighting needs.

Features:

- Product Name: All-in-One Solar LED Street Light
- Voltage: AC85-265V
- Luminous Flux: 3000-18000lm
- Certification: CE, RoHS, FCC
- Color Temperature: 3000K-6500K
- Warranty: 3-5 Years

Applications:

Yahua Lighting's solar LED street light, with its 300W, LED solar street light, is the perfect choice for various outdoor applications. Made of aluminum alloy, this solar LED street light is highly durable and resistant to extreme temperatures, ranging from -40°C to 60°C, and has a CRI of Ra>80. The luminous flux is up to 3000-18000lm, offering superior lighting performance. This solar LED Street Light is CE, RoHS, and FCC certified, making it safe and reliable for use.

Technical Parameters:

Parameter	Description
Lighting Mode	Motion Sensor, Timer Control
Voltage	AC85-265V
Material	Aluminum Alloy

Color Temperature	3000K-6500K
Light Distribution	Symmetric/Asymmetric
Warranty	3-5 Years
CRI	Ra>80
Working Temperature	-40°C-60°C
Light Source	LED
Certification	CE, RoHS, FCC

Customization:

Customized 300w LED Solar Street Light from Yahua Lighting

Yahua Lighting is proud to offer custom-made 300w LED Solar Street Light. You can customize your solar street light to meet your exact needs. Our lights are certified with CE, IP65, and ROHS and have a working temperature of -40°C-60°C. With luminous flux ranging from 3000-18000lm, our solar street light can offer symmetric/asymmetric light distribution and an IP65 rating. The light source is LED.

Choose Yahua Lighting for your 300w LED Solar Street Light today!

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is Yahua Lighting.

Q: Where is this product from?

A: This product is from China.

Q: What certifications does this product have?

A: This product has CE IP65 ROHS certification.

Q: What is the main purpose of Solar LED Street lights?

A: Solar LED Street Light is mainly designed for outdoor lighting, such as streets, courtyards, parks, etc.

Q: How long does the Solar LED Street Light last?

A: The Solar LED Street Light can last up to 30,000 hours with proper maintenance.
