

## Aluminum Alloy Solar LED Road Lights For Outdoor Lighting Applications

### Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, FCC
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

### Product Specification

- IP Rating: IP65
- Material: Aluminum Alloy
- Light Distribution: Symmetric/Asymmetric
- Luminous Flux: 3000-18000lm
- Power: 30W-200W
- CRI: Ra>80
- Lighting Mode: Motion Sensor, Timer Control
- Highlight: Aluminum Alloy Solar LED Road Lights, Solar LED Road Lights 18000lm, IP65 Outdoor Solar Road Lighting

## Product Description

### Product Description:

Our solar LED street light is designed to provide lighting for roads, parks, pathways, and other outdoor areas. It utilizes the most advanced LED technology and features a high CRI (Ra>80) and IP65 rating to ensure reliable and bright lighting even in the harshest of conditions. The power range extends from 30W to 200W, and the luminous flux range extends from 3000lm to 18000lm, guaranteeing a wide variety of lighting options. In addition, our solar LED street light is designed with a motion sensor and timer control for maximum convenience. With its superior performance and energy-efficient operation, it is the perfect choice for your solar lights for the road.

### Features:

Product Name: 300W LED Solar Street Light

Luminous Flux: 3000-18000lm

Working Temperature: -40°C-60°C

Warranty: 3-5 Years

Lighting Mode: Motion Sensor, Timer Control

Voltage: AC85-265V

Solar Street Light All in One

All-in-One Solar Street Light

### Applications:

Yahua Lighting is known for its high-quality 300W LED Solar Street Light, a perfect solution for illuminating roadways and pathways. This lighting system is designed with CE, RoHS, and FCC certifications, and can be powered by AC85-265V. It comes with a 120° beam angle and a color temperature range of 3000K-6500K. Furthermore, the LEDs of this street light are highly energy-efficient, making it an ideal choice for solar lights for roads and solar lights for roadways. It's also environmentally friendly and cost-effective, making it a great investment for any solar-powered street lights application.

### Technical Parameters:

Power	30W-200W
Light Source	LED
Life Span	50,000hrs
Lighting Mode	Motion Sensor, Timer Control
Certification	CE, RoHS, FCC
Working Temperature	-40°C-60°C
Beam Angle	120°
Luminous Flux	3000-18000lm
Warranty	3-5 Years
Voltage	AC85-265V

## Customization:

Customization Service for Solar LED Street Light

**Brand Name:** Yahua Lighting

**Place of Origin:** China

**Certification:** CE IP65 ROHS

**Light Source:** LED

**Warranty:** 3-5 Years

**Working Temperature:** -40°C-60°C

**IP Rating:** IP65

**Light Distribution:** Symmetric/Asymmetric

**Focus on the following keywords:**

300w led solar street light

all in one solar street light

300w led solar street light cost

## FAQ:

**Q:** What is the brand of Solar LED Street Light?**A:** The brand of Solar LED Street Light is Yahua Lighting.

**Q:** Where is the Solar LED Street Light made?**A:** The Solar LED Street Light is made in China.

**Q:** What certifications do the Solar LED Street Lights have?**A:** The Solar LED Street Lights are certified with CE IP65 ROHS.

**Q:** How energy efficient are the Solar LED Street Lights?**A:** Solar LED Street Lights are very energy efficient as they are powered by solar energy.

**Q:** How long will the Solar LED Street Lights last?**A:** The Solar LED Street Lights are designed to last for many years.
