Symmetric / Asymmetric Solar LED Street Light With Motion Sensor Lighting Mode

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, FCC
- Delivery Time: 5-8 Days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Light Source: LED
- CRI: Ra>80
- Material: Aluminum Alloy
- Warranty: 3-5 Years
- Power: 30W-200W
- Color Temperature: 3000K-6500K
- Beam Angle: 120°
- Highlight: **Motion Sensor Solar LED Street Light, Asymmetric Solar LED Street Light, 200W Solar Powered LED Street Light**

Product Description

Product Description:

Our **all-in-one solar street light**, also known as **solar lights for roads**, is a high-quality product that offers superior lighting performance and long-term reliability. It is a **solar street light all in one**, meaning that it is an integrated lighting system that can be quickly and easily mounted on a range of surfaces. Our street light is designed with a wide beam angle of 120° and is capable of withstanding temperatures between -40 and 60 . It also has a life span of 50,000 hours, and a luminous flux of between 3000 and 18000 lumens, ensuring superior lighting performance. Our street light is powered by advanced LED lighting technology, providing reliable, efficient, and cost-effective lighting solutions.

Features:

Product Name: Solar LED Street Light

Beam Angle: 120°

Voltage: AC85-265V

Working Temperature: -40 -60

Power: 30W-200W

Light Source: LED

Special Feature: All In One Solar Street Light, 300W LED Solar Street Light

Applications:

Yahua Lighting's 300W LED Solar Street Light is a reliable lighting solution that has been designed to last for up to 50,000 hours. Its high efficiency and low power consumption make it ideal for outdoor lighting applications. It has a high CRI of Ra>80 and is certified by CE, IP65, and ROHS. It is capable of withstanding extreme temperatures ranging from -40 to 60 , making it suitable for all weather conditions. This 300W LED Solar Street Light is a dependable and reliable lighting solution that is perfect for any outdoor lighting application.

Technical Parameters:

Parameter	Value
Lighting Mode	Motion Sensor, Timer Control
Light Source	LED
Luminous Flux	3000-18000lm
Warranty	3-5 Years
IP Rating	IP65
Power	30W-200W
Working Temperature	-40 -60
Beam Angle	120°
Color Temperature	3000K-6500K

Life Span

50,000hrs

Customization:

Yahua Lighting provides customized services for **300w led solar street lights**, **solar lights for roads**, and **300w led solar street lights**. Our products are made in China and have the following features: CE IP65 ROHS certification, working temperature ranges from -40 to 60 , 3-5 years warranty, LED light source, CRI Ra>80, AC85-265V voltage.

FAQ:

Q1: What is the brand name of this Solar LED Street Light?

A1: The brand name of this Solar LED Street Light is Yahua Lighting.

Q2: Where is this Solar LED Street Light manufactured?

A2: This Solar LED Street Light is manufactured in China.

Q3: Is this Solar LED Street Light certified?

A3: Yes, this Solar LED Street Light is certified with CE IP65 ROHS.

Q4: How long does the Solar LED Street Light last?

A4: This Solar LED Street Light lasts for up to 50,000 hours.

Q5: What is the warranty period of this Solar LED Street Light?

A5: The warranty period of this Solar LED Street Light is 5 years.
