Product Description

Product Description:

Outdoor Solar LED Lights are an ideal choice for lighting your outdoor space. With a waterproof level of IP65, they are designed with advanced technology to make sure they last for a long time, even in the harshest weather conditions. The light source is LED, offering you up to 120LM/W of luminous flux. The lighting mode is adjustable, allowing you to choose from high, low, or off options. The solar panel is made of polysilicon, making it extremely efficient in capturing energy from the sun to power the lights. With these solar powered tube lights, you can enjoy a bright and beautiful outdoor space without worrying about energy costs.

Features:

Product Name:Outdoor Solar LED Lights

Waterproof Level:IP65

Material:Aluminum Alloy

Light Source:LED

Power:60-200W

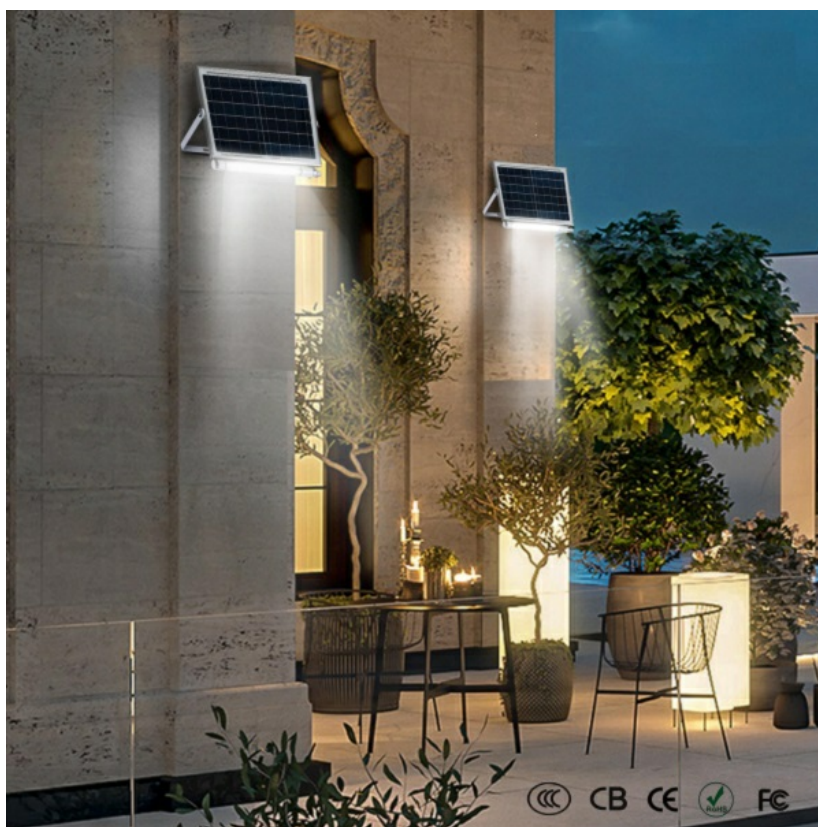

Luminous Flux:120LM/W

For Home:Solar Tube Lights

Price:Solar LED Tube Light Price

Applications:

Yahua Lighting Outdoor Solar LED Lights provide a cost-effective, energy-efficient, and environmentally-friendly solution for lighting applications. These lights are designed to be durable and reliable, with a waterproof rating of IP65 and a working temperature range of -20°C~60°C. The lights are also made from an aluminum alloy, making them lightweight yet robust, and they are powered by solar energy, making them environmentally friendly. They are also CE, ROHS, and ISO certified, so you can be sure that they are of the highest quality. With a minimum order quantity of 5 and a supply capacity of 3000pcs/month, you can rest assured that you will receive your order in 5-8 days. Plus, with payment terms such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram available, you can be sure that your purchase is secure and hassle-free. Perfect for both indoor and outdoor applications, these Yahua Lighting Outdoor Solar LED Lights are the perfect choice for all your solar lighting needs.
