

CWB Welded LED Street Light Pole Customized Service Available

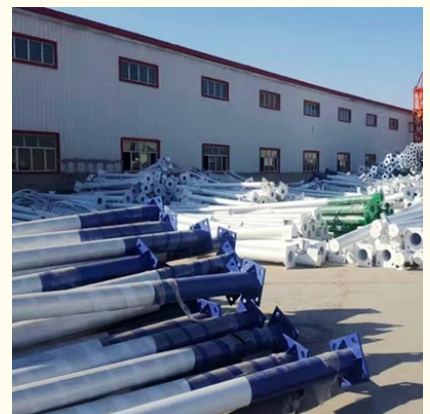

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Warranty: 20 Years+
- Mast Assembly: No Welding On Site/slip Joint
- Joint Of Poles: Insert Mode, Inner Flange Mode, Face-to-face Joint Mode
- Max Ultimate Tensile Strength: 620MPA
- Ground-mounted: Buried
- Minimum Ultimate Tensile Strength: 490MPA
- Welding: Welding Confirms With The International Welding Standard Of CWB
- Customized Service: Available
- Highlight: Customized LED Street Light Pole, CWB Welded LED Street Light Pole,

Product Description

Product Description:

Our LED Street Light Pole is a galvanised steel pole that is designed for maximum strength and durability. It is designed to withstand wind pressures of up to 100 km/h to 180 km/h, and can also be used in earthquake-prone areas up to 8 grade. Its mast assembly is designed with no welding on site, which reduces installation time and cost, and its welding process is conducted to comply with the international welding standards of CWB. This pole also features slip joint and insert mode, inner flange mode, and face-to-face joint mode for easy installation and maintenance.

Features:

Product Name: LED Street Light Pole

Surface treatment: Hot Dip Galvanized, Powder Coating

Minimum yield strength: 355MPA

Warranty: 20 Years+

Joint of poles: Insert Mode, Inner Flange Mode, Face-to-face Joint Mode

Ground-mounted: Buried

Applications:

Yahua Lighting's LED Street Light Poles are widely used across the globe, in both public and private spaces. These solar-powered street light poles are designed with CE IP65 ROHS ISO certifications and are extremely durable and reliable. The poles are constructed from galvanised steel, featuring a maximum ultimate tensile strength of 620MPA and a minimum ultimate tensile strength of 490MPA. Their ground-mounted structure is built to be buried and has a minimum yield strength of 355MPA. Delivery is fast and efficient, with the poles being shipped within 3-7 days and arriving within 5-8 days. Payment is easy and secure, with the options of L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Yahua Lighting's LED Street Light Poles are a perfect solution to any outdoor lighting needs.

Technical Parameters:

Product Attribute	Description
Ground-mounted	Buried
Joint of poles	Insert Mode, Inner Flange Mode, Face-to-face Joint Mode
Shipping time	3-7 Days
Warranty	20 Years+
Minimum yield strength	355MPA
Design of pole	Against Earthquake Of 8 Grade
Welding	Welding Confirms With The International Welding Standard Of CWB

Minimum ultimate tensile strength	490MPA
Customized service	Available
Installation height	4-12m

Customization:

Yahua Lighting offers custom services for LED Street Light Poles. Our poles are certified with CE IP65 ROHS ISO, and the delivery time is 5-8 days. The payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram and the shipping time is 3-7 days. Our poles are equipped with mast assemblies that don't require welding on site/slip joint, and the wall thickness is 4mm-4.5mm. The minimum yield strength is 355MPA and the installation height is 4-12m. Our custom services can provide Solar Power Street Light Poles, Galvanised Street Light Poles and Solar Power Street Light Poles.

Packing and Shipping:

Packaging and Shipping

Our LED street light poles are packaged in a sturdy cardboard box with bubble wrap to protect it from any physical damage. We use non-toxic and eco-friendly materials for packaging. All packages are shipped using the reliable shipping service providers.

FAQ:

Q: What is the Brand Name of LED Street Light Pole? -----

A: The Brand Name is Yahua Lighting.

Q: Where is the Place of Origin of LED Street Light Pole?

A: It originates from China.

Q: What kind of Certification does LED Street Light Pole have?

A: It has CE IP65 ROHS ISO certification.

Q: How long is the Delivery Time for LED Street Light Pole?

A: The Delivery Time is 5-8 days.

Q: What kind of Payment Terms does LED Street Light Pole support?

A: It supports L/C, D/A, D/P, T/T, Western Union, MoneyGram.
