

Ground Mounted Buried LED Street Light Pole 355MPA 4 - 12m Installation Height

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Minimum Yield Strength: 355MPA
- Wind Speed: Against Wind Pressure Of 100 Km/h To 180 Km/h
- Installation Height: 4-12m
- Mast Assembly: No Welding On Site/slip Joint
- Max Ultimate Tensile Strength: 620MPA
- Ground-mounted: Buried
- Warranty: 20 Years+
- Welding: Welding Confirms With The International Welding Standard Of CWB
- Highlight: **Ground Mounted Buried Solar Light Pole, LED Street Light Pole 12m, Hot Dip Galvanized Residential Light Pole**

Product Description

Product Description:

Introducing our LED Street Light Pole, a revolutionary product designed to provide superior performance and durability in outdoor lighting applications. Constructed from high-strength steel with a minimum ultimate tensile strength of 490MPA and a maximum ultimate tensile strength of 620MPA, our LED Street Light Pole offers superior resistance to weathering and corrosion. The pole is hot-dip galvanized for superior corrosion resistance and powder coated for enhanced durability. It also features a mast assembly that requires no welding on site or slip joints for fast and easy installation. Our LED Street Light Pole is perfect for solar power and solar panel street lighting applications.

Features:

Product Name: LED Street Light Pole
Minimum ultimate tensile strength: 490MPA
Mast assembly: No Welding On Site/slip Joint
Wind speed: Against Wind Pressure Of 100 Km/h To 180 Km/h
Customized service: Available
Wall thickness: 4mm-4.5mm
Solar Panel Street Lamp Post: Available
Solar Power Street Light Pole: Available
Solar Power Street Light Pole Installation: Available

Applications:

Yahua Lighting's **Galvanised Street Light Pole** is an ideal choice for many applications. It is manufactured in China with CE, IP65, ROHS, and ISO certification, guaranteeing quality and reliability. It is delivered within 5-8 days, and payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. With a minimum ultimate tensile strength of 490MPA, this street light pole can be ground-mounted or buried. The welding complies with the international welding standard of CWB, and the wall thickness ranges from 4mm to 4.5mm. Customized service is also available.

Technical Parameters:

Parameter	Value
Surface treatment	Hot Dip Galvanized, Powder Coating
Wind speed	Against Wind Pressure Of 100 Km/h To 180 Km/h
Shipping time	3-7 Days
Design of pole	Against Earthquake Of 8 Grade
Welding	Welding Confirms With The International Welding Standard Of CWB
Mast assembly	No Welding On Site/slip Joint
Minimum yield strength	355MPA
Joint of poles	Insert Mode, Inner Flange Mode, Face-to-face Joint Mode
Ground-mounted	Buried

Customized service Available

Customization:

Customized Service for LED Street Light Pole

Brand Name: Yahua Lighting

Place of Origin: China

Certification: CE IP65 ROHS ISO

Delivery Time: 5-8 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Mast assembly: No Welding On Site/slip Joint

Max ultimate tensile strength: 620MPA

Warranty: 20 Years+

Welding: Welding Confirms With The International Welding Standard Of CWB

Ground-mounted: Buried

Focus on the following keywords:

Solar Panel Street Lamp Post, Galvanised Street Light Pole, Solar Panel Street Lamp Post

Packing and Shipping:

Packaging and Shipping

LED Street Light Poles are packaged in single boxes or crates for delivery. The packaging material used are corrugated cardboard or foam-in-place packaging. The crates are secured with shrink wrap and label for easy identification. The products are then shipped in 24-48 hours after payment confirmation.

FAQ:

Q&A

Q: What is the Brand Name of the LED Street Light Pole?

A: The Brand Name of the LED Street Light Pole is Yahua Lighting.

Q: Where is the LED Street Light Pole from?

A: The LED Street Light Pole is from China.

Q: Does the LED Street Light Pole have any certification?

A: The LED Street Light Pole has CE IP65 ROHS ISO certification.

Q: How long does it take to deliver the LED Street Light Pole?

A: It usually takes 5-8 days to deliver the LED Street Light Pole.

Q: What payment terms do you accept for the LED Street Light Pole?

A: We accept L/C, D/A, D/P, T/T, Western Union, MoneyGram payment terms for the LED Street Light Pole.
