## Aluminum Alloy Integrated Solar Street Light 120lm/W IP65

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

### Product Specification

- Power Supply: Integrated
- Material: Aluminum Alloy
- LED Chip: Bridgelux/Cree/Lumileds
- Beam Angle: 120°
- Light Source: Solar
- Working Temperature: -20°C~+50°C
- Battery: Lithium Battery
- Color Temperature: 3000K-6000K
- Highlight: **IP65 Integrated Solar Lighting System, Aluminum Alloy Integrated Solar Light, 120lm/W All In One Street Light**

## Product Description

### Product Description:

Integrated Solar Street Light is a solar powered street light fixture that uses advanced LED chip technology from Bridgelux, Cree, and Lumileds, and is made of aluminum alloy. It is equipped with a lithium battery that is charged by a monocrystalline solar panel, and it can provide an impressive luminous flux of 120lm/W. This solar powered street light fixture is a reliable, energy-efficient and cost-effective solution for your outdoor lighting needs. It has been designed to provide superior illumination quality and long-lasting performance, making it the perfect choice for your solar street light needs.

### Features:

Product Name: **Integrated Solar Street Light**

Light Type: **Street Light**

Beam Angle: **120°**

Luminous Flux: **120lm/W**

Light Source: **Solar**

Power Supply: **Integrated**

**Solar Street Light Fixture**

**Integrated Solar Street Lamp**

**Solar Powered Street Light**

**Street Light Source**

### Applications:

Yahua Lighting Integrated Solar LED Streetlight

Yahua Lighting provides the most efficient integrated solar LED streetlight, which is made of aluminum alloy and powered by solar energy. It has been certified with CE IP65 ROHS ISO and has a warranty of 3 years. This integrated street light is perfect for any outdoor lighting application, and it has a working temperature from -20°C to +50°C. It provides a luminous flux of 120lm/W and can be delivered within 5-8 days. It also supports payment terms such as L/C, D/A, D/P, T/T, Western Union and MoneyGram.

### Technical Parameters:

Parameter	Details
Material	Aluminum Alloy

LED Chip	Bridgelux/Cree/Lumileds
IP Rating	IP65
Light Type	Street Light
Solar Panel	Monocrystalline
Color Temperature	3000K-6000K
Luminous Flux	120lm/W
Warranty	3 Years
Certification	CE/RoHS/IP65
Life Span	50,000 Hours

## Support and Services:

Our Integrated Solar Street Light is backed by our premium technical support and service. Our team of experienced technicians are here to help you with any questions or issues you may have. We provide a comprehensive range of services, including installation, maintenance, and troubleshooting. We also offer a range of customised solutions tailored to your needs. Our support team is available 24/7 to answer any questions or concerns you may have.

## FAQ:

- Q: What's the brand name of this Integrated Solar Street Light? -----
- A: Yahua Lighting.
- Q: Where is this Integrated Solar Street Light manufactured?
- A: China.
- Q: What certifications does this Integrated Solar Street Light have?
- A: CE IP65 ROHS ISO.
- Q: How long does it take to deliver this Integrated Solar Street Light?
- A: 5-8 days.
- Q: What payment terms do you offer for this Integrated Solar Street Light?
- A: L/C, D/A, D/P, T/T, Western Union, MoneyGram.
