

Aluminum Alloy Integrated Solar Street Light 120lm/W Luminous Flux

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

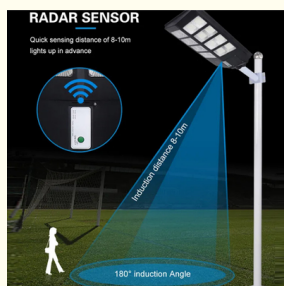

Product Specification

- Light Type: Street Light
- Warranty: 3 Years
- Solar Panel: Monocrystalline
- Color Temperature: 3000K-6000K
- Luminous Flux: 120lm/W
- Power Supply: Integrated
- Working Temperature: -20°C~+50°C
- Light Source: Solar
- Highlight: Integrated Solar Street Light 120lm/W, Integrated Solar LED Streetlight, Aluminum Alloy Solar Powered Street Lights

Product Description

Product Description:

Our Integrated Solar Street Light is an all-in-one product that is designed to provide a complete lighting solution. It is an energy-efficient and cost-effective street lighting system that is powered by solar energy. This product is made of high-quality Aluminum Alloy material and is equipped with Lithium Battery, IP65, Bridgelux/Cree/Lumileds LED Chips, and has a Luminous Flux of 120lm/W. This all-in-one solar street light is easy to install and maintain, and will bring bright light to your streets in an eco-friendly way.

Features:

Product Name: All-in-One Solar Street Light, Integrated Solar Street Lamp, Integrated Solar LED Streetlight

Solar Panel: Monocrystalline

Warranty: 3 Years

Light Source: Solar

Material: Aluminum Alloy

Luminous Flux: 120lm/W

Applications:

Yahua Lighting is a well-known brand in the lighting industry, offering an all-in-one integrated solar street light solution. Our integrated solar street light is made of high-quality materials and is certified by CE/RoHS/IP65, ensuring its safety and reliability. This product features a working temperature of -20°C~+50°C and a beam angle of 120°, making it suitable for various applications. It is equipped with a monocrystalline solar panel, which can effectively absorb and convert solar energy into electricity. Moreover, it has a fast delivery time of 5-8 days and flexible payment terms including L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

Our integrated solar street light is widely used in various scenarios, such as streets, parks, villas, gardens, pathways, and other outdoor lighting areas. It is the perfect choice for efficient, cost-effective, and eco-friendly lighting. Our integrated solar street light is easy to install and maintain, and it can provide uniform, bright light for long hours. With its superior performance and excellent reliability, our integrated solar street light is becoming increasingly popular.

Technical Parameters:

Attributes	Values
Light Type	Street Light
Material	Aluminum Alloy

Luminous Flux	120lm/W
IP Rating	IP65
Life Span	50,000 Hours
Solar Panel	Monocrystalline
Beam Angle	120°
Color Temperature	3000K-6000K
Certification	CE/RoHS/IP65
Warranty	3 Years

Support and Services:

Integrated Solar Street Light Technical Support and Service

We provide a comprehensive range of technical support and service for our Integrated Solar Street Light products. Our trained and experienced technical staff are available to help with any queries you may have about our products. We provide a variety of services, including installation, troubleshooting, and maintenance. We also offer training on the use of our products to ensure that they are used correctly and efficiently.

Our technical support team is available to answer any questions you may have about our products. We are available via email, telephone, and live chat. Our customer service team is also available to help you with any queries or problems you may have.

We are committed to providing our customers with the best possible service. Our technical support team is knowledgeable and experienced, and we strive to provide the best possible customer service.
