Integrated Solar Powered LED Street Light With 120 Degree Beam Angle 50000 Hours Life Span

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE IP65 ROHS ISO
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

Product Specification

- CRI: Ra>80
- Luminous Flux: 3000-18000lm
- Light Distribution: Symmetric/Asymmetric
- Color Temperature: 3000K-6500K
- IP Rating: IP65
- Beam Angle: 120°
- Material: Aluminum Alloy
- Power: 30W-200W
- Highlight: FCC Solar Powered LED Street Light,
3000K Solar Powered LED Street Light,
Asymmetric Solar Street Lighting

Product Description

Product Description:

Solar LED Street Light is an integrated solar-powered lighting product. It adopts advanced solar power technology and is powered by solar energy, which is clean, endless and environment-friendly. With high efficiency mono crystalline silicon solar panel, it can be charged by sunlight during day time and light up at night. It has a wide range of working temperature, from -40°C to 60°C, providing a reliable and stable light source. The light has a high Color Rendering Index (CRI) of Ra>80, which ensures accurate color reproduction. And its life span can reach up to 50,000 hours. It has a wide range of power from 30W to 200W, and a warranty period of 3-5 years, making it a cost-efficient and reliable integrated solar LED light. Solar LED Street Light is an ideal choice for night lighting of streets, roads, squares, and more.

Features:

Product Name: Solar LED Street Light

Voltage: AC85-265V

Lighting Mode: Motion Sensor, Timer Control

Certification: CE, RoHS, FCC

Life Span: 50,000hrs

Material: Aluminum Alloy

Integrated Solar LED Light: Automated Solar LED Street Light

Technical Parameters:

Parameter	Value
Product	Integrated Solar LED Light, Solar Rechargeable Street Light, Automatic Solar Street Lighting System
Luminous Flux	3000-18000lm
Beam Angle	120°
Color Temperature	3000K-6500K
Light Distribution	Symmetric/Asymmetric
Material	Aluminum Alloy
Voltage	AC85-265V
IP Rating	IP65
Working Temperature	-40°C-60°C
Warranty	3-5 Years
Certification	CE, RoHS, FCC

Applications:

Yahua Lighting Solar LED Street Light

Yahua Lighting solar LED street lights are powered by solar energy, and are integrated with LED light sources, which are rechargeable and can provide high efficiency lighting. With a beam angle of 120 degrees, our solar-powered street lights have a symmetric or asymmetric light distribution, and can operate at temperatures ranging from -40°C to 60°C with a voltage of AC85-265V. The street lights come with a 3-5 year warranty and are certified with CE IP65 ROHS ISO. We have a delivery time of 5-8 days and accept payment by L/C, D/A, D/P, T/T, Western Union, and MoneyGram. We have a supply ability of 3000pcs/month.

Intelligent light-control

Die-cast aluminum integrated shell

Fully automatic light sensing Light off during the day automatically charging

When the ambient light is dimmed, it automatically lights up for illumination

Packing and Shipping:

Packaging and Shipping

Solar LED Street Light products are packaged in a sturdy cardboard box to ensure safe delivery to the end user. The product will be shipped via a reliable shipping provider to ensure it arrives safely and on time.

FAQ:

Q1: What is the brand name of this Solar LED street light?

A1: The brand name of this Solar LED street light is Yahua lighting.

Q2: Where is this Solar LED street light from?

A2: This Solar LED street light is from China.

Q3: What certifications does this Solar LED street light have?

A3: This Solar LED street light has CE IP65 ROHS ISO certifications.

Q4: How long is the delivery time for this Solar LED street light?

A4: The delivery time for this Solar LED street light is 5-8 days.

Q5: What payment terms are available for this Solar LED street light?

A5: The payment terms for this Solar LED street light are L/C, D/A, D/P, T/T, Western Union, MoneyGram.
