## Aluminum Alloy Automatic Solar LED Street Light AC85 - 265V Solar Street Lighting

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

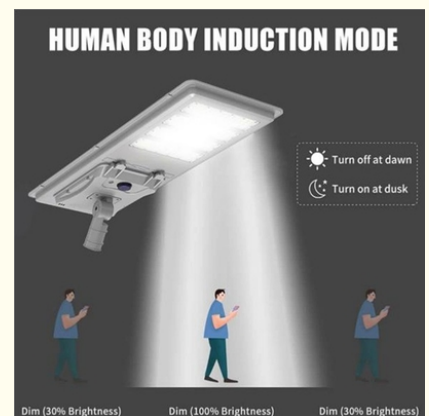

### Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE IP65 ROHS ISO
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

### Product Specification

- Light Distribution: Symmetric/Asymmetric
- Material: Aluminum Alloy
- Voltage: AC85-265V
- Power: 30W-200W
- Lighting Mode: Motion Sensor, Timer Control
- Color Temperature: 3000K-6500K
- Warranty: 3-5 Years
- Working Temperature: -40 -60
- Highlight: **AC85V Solar Street Lighting, Asymmetric Aluminum Alloy Solar Street Lamp, 6500K Solar LED Street Light**

## Product Description

### Product Description:

Our Solar LED Street Light is the perfect lighting solution for your outdoor area. It is solar powered, eco-friendly and has a lighting mode of Motion Sensor, Timer Control. This light is designed to provide superior performance and long-lasting lighting with a CRI of Ra>80 and a Beam Angle of 120°. You can choose between symmetric or asymmetric Light Distribution and a Color Temperature of 3000K-6500K. Our Solar Powered LED Street Light will provide you with automatic solar street lighting, and with its solar rechargeable design, you can save money while contributing to a greener environment.

### Features:

Solar Street Lighting System

Integrated Solar LED Light

Motion Sensor and Timer Control

IP65 Waterproof Rating

Voltage: AC85-265V

Light Source: LED

Beam Angle: 120°

### Technical Parameters:

Parameter	Detail
Product Type	Solar Rechargeable Street Light, Automated Solar LED Street Light, Integrated Solar LED Light
CRI	Ra>80
Certification	CE, RoHS, FCC
Voltage	AC85-265V
Power	30W-200W
Life Span	50,000hrs
Luminous Flux	3000-18000lm
Lighting Mode	Motion Sensor, Timer Control
Material	Aluminum Alloy
Light Distribution	Symmetric/Asymmetric
Working Temperature	-40 -60

### Applications:

Yahua Lighting, a professional LED street light manufacturer in China, has released its latest solar energy powered street light product. This LED street light not only makes use of solar energy to provide lighting, but is also certified with CE IP65 ROHS ISO. The delivery time is 5-8 days and accepted payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram. With a supply ability of 3000pcs/month, it is ideal for residential and commercial use. The light distribution of the street light is symmetric or asymmetric, and the color temperature ranges from 3000K-6500K. Light source is LED and working temperature is -40 -60 , and the material used is aluminum alloy. This solar energy powered LED street light is a perfect choice for both residential and commercial areas. It is reliable and energy-efficient, bringing great convenience to people's lives.

# Intelligent light-control

Die-cast aluminum integrated shell

Fully automatic light sensing Light  
off during the day automatically  
charging

When the ambient light is dimmed,  
it automatically lights up for  
illumination

## Packing and Shipping:

### Packaging & Shipping

Solar LED Street Light is packaged in a cardboard box that is designed to protect the product from damage during shipping. The box is lined with a soft cushioning material to further protect the product. The product is shipped via UPS, FedEx, or USPS.

## FAQ:

Q: What is the brand name of this Solar LED Street Light?

A: The brand name of this Solar LED Street Light is Yahua lighting.

Q: Where is this Solar LED Street Light made?

A: This Solar LED Street Light is made in China.

Q: What certifications does this Solar LED Street Light have?

A: This Solar LED Street Light has CE IP65 ROHS ISO certifications.

Q: How long does it take to deliver this Solar LED Street Light?

A: It takes 5-8 days to deliver this Solar LED Street Light.

Q: What payment terms can be used to purchase this Solar LED Street Light?

A: L/C, D/A, D/P, T/T, Western Union, MoneyGram can be used to purchase this Solar LED Street Light.

Q: What is the supply ability of this Solar LED Street Light?

A: The supply ability of this Solar LED Street Light is 3000pcs/month.
