Aluminum Alloy Integrated Solar Lighting System 5 - 8m Installation Height

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Installation Height: 5-8m
- Battery Capacity: 3.2V/20AH
- Waterproof Level: IP65
- Solar Panel: Monocrystalline Silicon
- Color Temperature: 6000K
- Warranty: 3-5 Years
- Lighting Time: More Than 36 Hours
- Voltage: 12V
- Highlight: Aluminum Alloy Integrated Solar Lighting System, 5m Installation Height Solar Lighting System, Integrated Solar Street Light 3.2V

Product Description

Product Description:

The Integrated Solar Street Light is a revolutionary product that is powered by solar energy. It is an all-in-one solution that is designed to provide reliable and efficient lighting. This product features a powerful battery capacity of 3.2V/20AH, a sensing distance of 8-10m, a color temperature of 6000K, a lighting angle of 120°, and a light source of solar. It is a solar powered street lamp that is designed to be durable, reliable, and efficient. With its integrated design, the Integrated Solar Street Light is perfect for outdoor lighting applications. It provides superior illumination and energy savings, making it the perfect choice for any lighting project.

Features:

Product Name: Integrated Solar Street Light

Solar Panel: Monocrystalline Silicon

Solar Powered Outdoor Light

All-in-one Solar Street Light

Luminous Flux: 140LM/W

Working Temperature: -20°C~+60°C

Waterproof Level: IP65

Lighting Angle: 120°

Solar Powered Outdoor Light

Technical Parameters:

Parameters	Details
Luminous Flux	140LM/W
Material	Aluminum Alloy
Color Temperature	6000K
Sensing Distance	8-10m
Power	30-300W
Light Source	Solar
Battery Capacity	3.2V/20AH
Warranty	3-5 Years
Waterproof Level	IP65
Voltage	12V
Product Type	Integrated Solar Lighting, All-in-one Solar Lamp

Applications:

Yahua Lighting presents Integrated Solar Street Light with All-in-one Solar Lamp, Solar Powered Outdoor Light, that is CE & IP65, ROHS & ISO certified and is waterproof up to IP65 level. The color temperature is 6000K, with a 120° lighting angle and a sensing distance of 8-10m. This product comes with a 5-8 days delivery time and payment terms of L/C, D/A, D/P, T/T, Western Union, MoneyGram.

Customization:

Integrated Solar Street Light Customized Services

Brand Name: Yahua Lighting

Place of Origin: China

Certification: CE IP65 ROHS ISO

Delivery Time: 5-8 days
