30W-200W Automatic Solar Street Lighting with Working Temperature -40°C-60°C

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, FCC
- Model Number: YHZ-120W
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

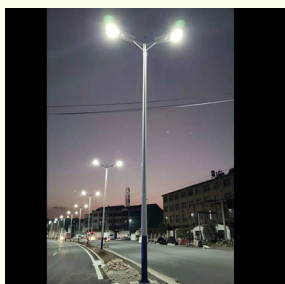

Product Specification

- CRI: Ra>80
- Voltage: AC85-265V
- Material: Aluminum Alloy
- Color Temperature: 3000K-6500K
- Power: 30W-200W
- Beam Angle: 120°
- Working Temperature: -40°C-60°C

Product Description

Product Description:

Our **Automatic Solar Street Lighting** system is the perfect solution for illuminating roads, streets, highways and other areas while reducing energy consumption. Our **Solar Powered LED Street Light** is powered by solar energy and is designed with an integrated aluminum alloy frame. It has a luminous flux of 3000-18000lm, a beam angle of 120°, and can be used in both symmetric and asymmetric light distributions. Our **Solar Street Lighting System** comes with a warranty of 3-5 years and is designed for long-term use. It is an efficient, energy-saving and eco-friendly solution to lighting up roads and streets.

Features:

Product Name: Solar-LED Street Light

IP Rating: IP65

Light Source: LED

CRI: Ra>80

Working Temperature: -40°C-60°C

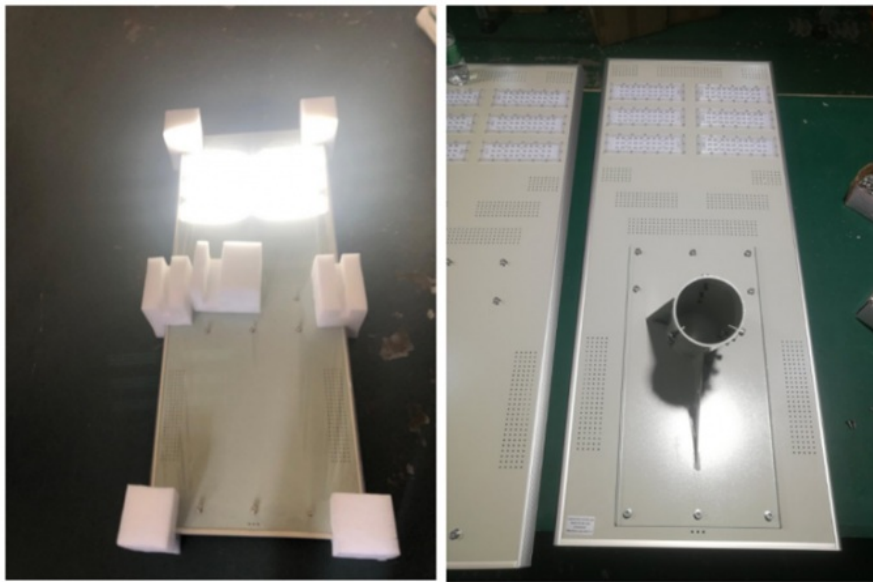

Power: 30W-200W

Automatic Solar Street Lighting

Solar Street Lighting Controller

Integrated Solar LED Light

Technical Parameters:

Parameter	Specification
Lighting Mode	Motion Sensor, Timer Control
Warranty	3-5 Years
Beam Angle	120°
Life Span	50,000hrs
Power	30W-200W
Material	Aluminum Alloy
Color Temperature	3000K-6500K
CRI	Ra>80
IP Rating	IP65
Luminous Flux	3000-18000lm

Applications:

Yahua lighting YHZ-120W integrated solar LED street light is a reliable and highly efficient lighting solution for outdoor lighting. It is equipped with CE IP65 ROHS ISO certification and made of high-quality aluminum alloy material. Its color temperature ranges from 3000K to 6500K, with a beam angle of 120° and a luminous flux of 3000-18000lm. The voltage is AC85-265V, and it can be delivered to customers within 5-8 days after payment. Yahua lighting is able to supply up to 3000pcs/month. The solar rechargeable street light is powered by solar energy, and it is perfect for outdoor lighting without the need of any extra electricity. This solar powered LED street light is a great choice for garden, yard, landscape and other outdoor lighting.

Customization:

If you are looking for a reliable and energy-efficient solar powered LED street light, Yahua Lighting's YHZ-120W is the perfect choice. Certified with CE, RoHS, and FCC, this integrated street light performs up to 3000-18000lm with a CRI of Ra>80 and an IP rating of IP65. It is designed with a 3-5 years warranty and comes with a fast delivery time of 5-8 days. We also accept payment via L/C, D/A, D/P, T/T, Western Union, MoneyGram and are able to provide up to 3000pcs/month. Our Solar Energy Powered Street Light is a great option for lighting up areas with no access to electricity, such as parks, roads, and other outdoor spaces.

Support and Services:

We provide technical support and services for Solar LED Street Light. Our services include:

- Installation and maintenance guidance
- Troubleshooting and repair advice
- Replacement services for defective parts
- Warranty and after-sales support
- Product upgrades and updates

Packing and Shipping:

Packaging and Shipping

Solar LED Street Light is securely packaged to protect it from damage during shipping. The package contains the Solar LED Street Light, mounting hardware, and the necessary cables.

The product is shipped via a trusted third-party carrier. Delivery times will depend on the carrier and the destination. Delivery time estimates will be provided upon ordering.

FAQ:

Q 1.How can I place an order?

A.a)Please contact us , to get more details ,such as bulk order price , quality, video, package and so on .When you

confirm to buy from us, the proforma invoice with our bank information could be sent to you for payment.

Q 2. What kind of certificate you have?

A. We have ROHS, CE, EMC, as well as national patent

Q 3.You are factory or trading company?

A. We are factory, which is professional Development and manufacturing LED lights, Solar street light and city lighting fixtures productive enterprise.

Q 4.what's the payment term?

A. We accept TT, Western Union, MoneyGram. Paypal, Money Gram

Q 5.What's the sample time and lead time for mass productions?

A:Normally, sample time is about 3-5 days after receiving your details. Lead time for mass productions is about 10 days.

Q 6.What the standard of package?

A. Carton box, Flight case, Carton with Wooden frame is also ok if required

Q 7.How about your monthly capacity?

A. It depends on which model .For example, solar light , monthly capacity can reach near 7000sets and big capacity near 50000sets.

Q 8.Where is your major market?

A. Our products are popular in European countries, America area, Asia, such as Germany, France, UK, Italy, united states,
Mexico,Brazil, Egypt, Japan, and so on. Some of them are our regular clients and some of them are developing. We hope you can join us and make mutual benefit from our cooperation.
