Solar LED Street Light 6500k High Lumen Wireless Installation Intelligent Control

Our Product Introduction

For more products please visit us on solarledstreet-light.com

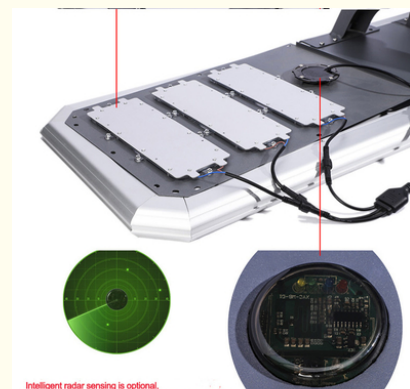

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1PC
- Price: USD109-115/PC
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

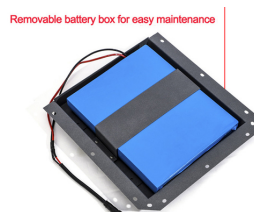

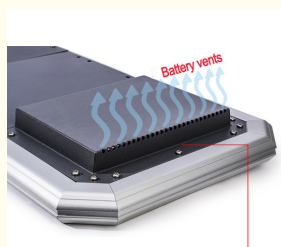

Product Specification

- Warranty: 3-5 Years
- CRI: Ra>80
- Luminous Flux: 18000lm
- Material: Aluminum Alloy
- Working Temperature: -40 -60
- Life Span: 50,000hrs
- Color Temperature: 3000K-6500K
- Highlight: Solar LED Street Light 6500k,
Rechargeable Solar Street Light High Lumen,
Solar Panel Street Light 6500K

Intelligent radar sensing is optional,
the light is on when people come, and the light is off when people leave,
the sensing distance is 8-10 meters, and the sensing angle is 360°.

Product Description

Product Description:

Our Automated Solar LED Street Light is a highly efficient, solar powered lighting system designed to provide reliable and safe lighting solutions for outdoor areas. This system is comprised of a state-of-the-art Integrated Solar LED Light and an efficient solar panel that is capable of harnessing the sun's energy to produce a reliable street lighting system. Our innovative Solar Street Lighting System is designed to provide superior lighting performance and energy efficiency. With a Color Temperature range from 3000K-6500K and a Working Temperature range of -40 -60 , it is a reliable choice for any outdoor lighting application. The Light Distribution of our Solar LED Street Light can be set to either Symmetric or Asymmetric, depending on the requirements of the application. Furthermore, the IP Rating of our lights is IP65, and they have a Life Span of 50,000hrs. With its superior features and reliable performance, our Automated Solar LED Street Light is the perfect choice for your outdoor lighting needs.

Features:

Product Name: **Solar Powered LED Street Light**

Beam Angle: **120°**

Life Span: **50,000hrs**

Certification: **CE, RoHS**

Material: **Aluminum Alloy**

Energy Source: **Solar Energy Powered Street Light, Solar Rechargeable Street Light**

Intelligent radar sensing is optional,
the light is on when people come, and the light is off when people leave,
the sensing distance is 8-10 meters, and the sensing angle is 360°.

Technical Parameters:

Power	90W
Solar panel	18V120W (high efficiency imported silicon solar cell)
Battery Type:	12.8V 54Ah lithium battery
LED Max:	5050- 96pcs
Led chip brand:	Bridgelux from USA with high brightness
Lumen (LM):	12000lm
Charge time(by sun):	6-7hours (with enough strong shine)
Discharge time:	more than 20 hours(saving mode)
Working TEMP()	-25~+60
CCT (k):	5000k-6500k
Mounting height(m):	10-12m
Space between light(m):	20-25m
Lamps material:	aluminium alloy
Certificate:	ISO/CE / ROHS / IP65
Product size:	1807*382mm
Product weight:	20Kgs
Q'ty/ctn:	1 set/carton
20GP container:	100 sets
40GP container:	300 sets
Working time:	12-14 hours

Applications:

Yahua lighting's YHZ-120W Automated Solar LED Street Light is a superior quality, high-performance lighting system, designed for street lighting applications. It uses state-of-the-art intelligent solar street lighting technology to provide reliable, energy-efficient illumination with a lifespan of up to 50,000 hours. With a CRI of $R_a > 80$, this LED street light produces bright, clear lighting that is suitable for a wide variety of applications. The YHZ-120W is IP65 rated and capable of working in temperatures ranging from -40 to 60 , making it an ideal choice for outdoor street lighting.

The YHZ-120W Solar Street Lighting System is designed to provide an automated, reliable, and energy-efficient lighting solution for streets and other public areas. It has built-in smart sensors to detect motion and automatically adjust light levels accordingly, so you can benefit from energy savings without compromising on safety. The YHZ-120W is equipped with a reliable power source that can be used for continuous operation, making it an ideal choice for public spaces that require 24/7 lighting.

Yahua lighting's YHZ-120W Automated Solar LED Street Light is certified with CE, RoHS, and FCC standards, and can be purchased with a variety of payment methods, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. It also comes with a 5-8 day delivery time and a monthly supply capacity of 3000pcs.

The YHZ-120W is the perfect choice for those looking for an Intelligent Solar Street Lighting System. With its automated control system and energy-saving features, this LED street light is an easy, efficient, and reliable choice for any street lighting application.

Customization:

Customized Solar LED Street Light

Brand Name: Yahua lighting

Model Number: YHZ-120W

Place of Origin: China

Certification: CE IP65 ROHS ISO

Delivery Time: 5-8 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Supply Ability: 3000pcs/month

Warranty: 3-5 Years

IP Rating: IP65

Life Span: 50,000hrs

Color Temperature: 3000K-6500K

Luminous Flux: 3000-18000lm

Features: Solar Rechargeable Street Light, Automatic Solar Street Lighting, Integrated Solar LED Light.

Support and Services:

Solar LED Street Light provides technical support and services for customers, including:

24/7 online technical support

Troubleshooting assistance

Software updates

Product maintenance and repair

Product replacement and exchange

Packing and Shipping:

Packaging and Shipping for Solar LED Street Light:

The solar LED street light will be securely packaged in a cardboard box with bubble wrap. It will be sealed with an adhesive tape to ensure that the package is secure. The package will also include a printed instruction manual. The package will be shipped via FedEx or DHL and will be tracked for its full journey.

FAQ:

Q: What is the Brand Name of this Solar LED Street Light?

A: The Brand Name of this Solar LED Street Light is Yahua lighting.

Q: What is the Model Number of this Solar LED Street Light?

A: The Model Number of this Solar LED Street Light is YHZ-120W.

Q: Where is this Solar LED Street Light made?

A: This Solar LED Street Light is made in China.

Q: What certifications does this Solar LED Street Light have?

A: This Solar LED Street Light has CE IP65 ROHS ISO certifications.

Q: How long does it take to deliver this Solar LED Street Light?

A: It takes 5-8 days to deliver this Solar LED Street Light.

Q: What payment terms can I use to buy this Solar LED Street Light?

A: You can use L/C, D/A, D/P, T/T, Western Union, MoneyGram to buy this Solar LED Street Light.

Q: How many Solar LED Street Lights can you supply each month?

A: We can supply 3000pcs Solar LED Street Lights each month.
