IP65 Solar Street Lighting Controller Certified with Motion Sensor

Our Product Introduction

For more products please visit us on solarledstreet-light.com

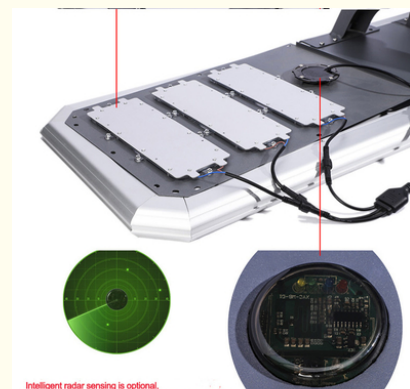

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-120W
- Minimum Order Quantity: 1PC
- Price: USD122-208/PC
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

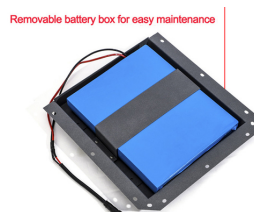

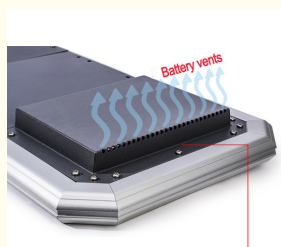

Product Specification

- Lighting Mode: Motion Sensor, Timer Control
- IP Rating: IP65
- Color Temperature: 3000K-6500K
- CRI: Ra>80
- Life Span: 50,000hrs
- Working Temperature: -40°C-60°C
- Highlight: **IP65 Solar Street Lighting Controller ,
Certified Solar Street Lighting Controller**

Intelligent radar sensing is optional,
the light is on when people come, and the light is off when people leave,
the sensing distance is 8-10 meters, and the sensing angle is 360°.

Product Description

Product Description:

Our Solar LED Street Light is a reliable and cost-effective solar lighting solution powered by solar energy, perfect for lighting up streets, highways, parking lots, yards, and more. It features a durable and efficient Solar Street Lighting Controller that is capable of providing adjustable illumination, allowing you to choose the most suitable lighting level for your needs. What's more, the Solar Rechargeable Street Light is equipped with a motion sensor and timer control, making it highly energy efficient. With a wide working temperature range from -40°C to 60°C and CRI higher than 80, the Solar LED Street Light provides excellent lighting performance in any environment. Furthermore, the light distribution options of symmetric or asymmetric and color temperature from 3000K to 6500K make it even more customizable.

Features:

Product Name: Solar-LED Street Light

Light Source: LED

Lighting Mode: Motion Sensor, Timer Control

Beam Angle: 120°

Voltage: AC85-265V

Working Temperature: -40°C-60°C

Solar Street Lighting Controller

Automated Solar LED Street Light

Technical Parameters:

Power	120W
Solar panel	18V140W (high efficiency imported silicon solar cell)
Battery Type:	12V 72Ah lithium battery
LED Max power:	12V 120W
Led chip brand:	Bridgelux from USA with high brightness
Lumen (LM):	12000lm
LED Life time:	50000hours
Charge time(by sun):	6-7hours(with enough strong shine)
Discharge time:	more than 20 hours(saving mode)
Working TEMP(°C)	-25~+60
CCT (k):	5000k-6500k
Mounting height(m):	10-12m
Space between light(m):	20-25m
Lamps material:	aluminium alloy
Certificate:	ISO/CE / ROHS / IP65
Product size:	1510*368*50mm
Product weight:	20Kgs
Carton size:	1600*510*220mm
Q'ty/ctn:	1 set/carton
20GP container:	100 sets
40GP container:	300 sets
Working time:	12-14 hours

Applications:

Yahua lighting YHZ-120W Automated Solar LED Street Light is a reliable and efficient lighting system designed to illuminate outdoor areas such as roads, highways, parking lots and gardens. It is powered by solar energy, which is environmentally friendly and cost efficient. The light is designed with high performance aluminum alloy material which is corrosion-resistant and heat-resistant. It is also certified with CE IP65 ROHS ISO and has a voltage of AC85-265V. The light has a symmetric or asymmetric light distribution, and has a working temperature range of -40°C-60°C. It has a long lifespan, and comes with a warranty of 3-5 years. The delivery time of this product is 5-8 days, and the Supply Ability is 3000pcs/month. The payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram.

Customization:

Yahua Lighting offers customized services for Solar LED Street Light. With Brand Name Yahua lighting, Model Number YHZ-120W, Place of Origin China, Certification CE IP65 ROHS ISO, Delivery Time 5-8 days, Payment Terms L/C, D/A, D/P, T/T, Western Union, MoneyGram, Supply Ability 3000pcs/month, Light Source LED, Lighting Mode Motion Sensor, Timer Control, Warranty 3-5 Years, Working Temperature -40°C-60°C, Light Distribution Symmetric/Asymmetric, we provide reliable Solar Street Lighting System, Automated Solar LED Street Light and Automatic Solar Street Lighting System for customers around the world.

Support and Services:

Solar LED Street Light Technical Support and Services

We provide technical support and services for Solar LED Street Lights. Our team of experienced technicians can help you identify and troubleshoot any issues you may have with your street lights. We also offer installation and maintenance services to ensure that your street lights are functioning properly and efficiently.

Our technical support team is available 24/7 to provide you with any assistance you may need. We also offer a wide range of resources to help you make informed decisions about your street lighting solutions, including product brochures, installation instructions, and FAQs. We are committed to providing you with reliable and efficient solar LED street lighting solutions. If you have any questions or concerns, please do not hesitate to contact us.

Packing and Shipping:

Packaging and Shipping

Solar LED Street Lights will be packaged in rigid cardboard boxes and secured with bubble wrap. Each box will have the product name, model, and a unique serial number clearly marked on it. Securely attached to the box will be a shipping label with the customer's address and an estimated delivery date. The box will then be shipped to the customer's address via a reputable courier service.

FAQ:

Q1: What is the brand name of the Solar LED Street Light?

A1: The brand name of the Solar LED Street Light is Yahua lighting.

Q2: What is the model number of the Solar LED Street Light?

A2: The model number of the Solar LED Street Light is YHZ-120W.

Q3: Where is the Solar LED Street Light manufactured?

A3: The Solar LED Street Light is manufactured in China.

Q4: What certifications does the Solar LED Street Light have?

A4: The Solar LED Street Light has CE IP65 ROHS ISO certifications.

Q5: How long does it take to deliver the Solar LED Street Light?

A5: It takes 5-8 days to deliver the Solar LED Street Light.
