

3-5 Years Warranty Solar LED Street Light Working Temperature-40°C-60°C

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, FCC
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1Pc
- Price: USD99-152 Per Piece
- Packaging Details: 135*35*15cm/carton
- Delivery Time: 5-8 days
- Payment Terms: D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

Product Specification

- Power: 30W-200W
- Lighting Mode: Motion Sensor, Timer Control
- Light Distribution: Symmetric/Asymmetric
- Color Temperature: 3000K-6500K
- Working Temperature: -40°C-60°C
- Light Source: LED
- Beam Angle: 120°
- Motion Sensor: Detect Movement And Automatically Turn The Light On Or Off
- Controller: Regulates The Charging Of The Battery, Controls The Operation Of The Light, And Provides Protection Against Overcharging, Over-discharging, And Short Circuits.
- Highlight: 60°C Solar LED Street Light

Product Description

Product Description:

Introducing our solar-powered street light, the perfect solution for eco-friendly and cost-effective outdoor lighting. This street light harnesses the power of the sun during the day, storing energy in its rechargeable batteries, and automatically turning on at dusk to provide bright and reliable lighting throughout the night.

With its sleek and modern design, this street light is not only functional but also adds a touch of style to any outdoor space. Made with high-quality materials, it is built to withstand harsh weather conditions and requires minimal maintenance.

In addition to its energy-saving benefits and low operating costs, this solar-powered street light also contributes to a more sustainable future by reducing carbon emissions and reliance on non-renewable energy sources.

Invest in our solar-powered street light and enjoy reliable, efficient, and environmentally-friendly outdoor lighting for years to come.

Features:

Product Name: Integrated Solar LED Street Light

Voltage: AC85-265V

Warranty: 3-5 Years

Certification: CE, RoHS, FCC

Power: 30W-200W

Light Distribution: Symmetric/Asymmetric

Features: Automated Solar LED Street Light, Solar Energy Powered Street Light

Working mode can be chosen,

1. Time control, different time periods light brightness is different. Normally 100w solar street light is made time control.

Such as 3 hours 100% brightness+ 3 hours 75%+ 2 hours 40% + until dawn 20% brightness.

2. Motion sensor, When people come the light, brightness 100%. People leaved, after 20 seconds, light become darken 30% brightness.

The above all mode light could work the whole night and no matter time control or motion sensor, All lights switch on and off automatically. (when dark the light turn on and dawn the light turn off automatically. this is light sensor).

Technical Parameters:

Parameter	Specification
Color Temperature	3000K-6500K
CRI	Ra>80
Life Span	50,000hrs
Power	30W-200W
Warranty	3-5 Years
Certification	CE, RoHS, FCC
Light Source	LED
Material	Aluminum Alloy
Light Distribution	Symmetric/Asymmetric
Luminous Flux	3000-18000lm

Applications:

Yahua Lighting YHZ-120W Integrated Solar LED Street Light. -----

Yahua Lighting YHZ-120W is an integrated solar LED street light that combines the advantages of energy-saving and environmental protection into one product. It is designed with a sturdy aluminum alloy material and has a beam angle of 120°. The light has a power consumption range of 30W-200W and is equipped with motion sensor and timer control lighting modes. It is certified by CE, RoHS, and FCC, and can be delivered within 5-8 days. The payment terms can be L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Yahua Lighting YHZ-120W is capable of supplying up to 3000pcs/month.

Yahua Lighting YHZ-120W integrated solar LED street light is a reliable and cost-efficient lighting solution for a variety of outdoor lighting applications. It is ideal for roads, highways, public parks, squares, and gardens. The light is easy to install and requires little to no

maintenance. It is also an energy-saving and environmentally friendly alternative for traditional street lighting system, making it the perfect choice for cities and towns that are looking for sustainable sources of lighting.

Customization:

Customized Service for Solar LED Street Light

Brand Name: Yahua lighting
Model Number: YHZ-120W
Place of Origin: China
Certification: CE IP65 ROHS ISO
Delivery Time: 5-8 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 3000pcs/month
Beam Angle: 120°
Material: Aluminum Alloy
Light Source: LED
Power: 30W-200W
Warranty: 3-5 Years

We provide customized services for **Automatic Solar Street Lighting**, as well as **Solar Street Lighting Controller** and **Solar Powered LED Street Light**. Our products are certified with CE IP65 ROHS ISO and have a beam angle of 120°. All materials are made of aluminum alloy and light source is LED. The range of power is from 30W to 200W, and we offer a warranty from 3-5 years. Our delivery time is 5-8 days and you can choose from a variety of payment terms, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. We have a supply ability of 3000pcs/month.

Support and Services:

Solar LED Street Light technical support and service includes:

24/7 customer service support
Remote maintenance
Fault diagnosis
Repair and replacement of components
Installation and commissioning services
Software updates and upgrades
Training and technical advice
Consultancy services

Packing and Shipping:

Packaging and Shipping

Solar LED Street Light products are carefully packaged for safe shipment and storage. All components, including the solar panel, LED light, and power supply, are packaged in individual boxes. The boxes are then placed inside a single, larger box for shipping. Shipping is done through a variety of methods depending on the customer's needs and the location of the product.

Q 1.How can I place an order?

A.a)Please contact us , to get more details ,such as bulk order price , quality, video, package and so on .When you confirm to buy from us, the proforma invoice with our bank information could be sent to you for payment.

Q 2. What kind of certificate you have?

A. We have ROHS, CE, EMC, as well as national patent

Q 3.You are factory or trading company?

A. We are factory, which is professional Development and manufacturing LED lights, Solar street light and city lighting fixtures productive enterprise.

Q 4.what's the payment term?

A. We accept TT, Western Union, MoneyGram. Paypal, Money Gram, Alibaba

Q 5.What's the sample time and lead time for mass productions?

A:Normally, sample time is about 3-5 days after receiving your details. Lead time for mass productions is about 10 days.

Q 6.What the standard of package?

A. Carton box, Flight case, Carton with Wooden frame is also ok if required

Q 7.How about your monthly capacity?

A. It depends on which model .For example, solar light , monthly capacity can reach near 7000sets and big capacity near 50000sets.

Q 8.Where is your major market?

A. Our products are popular in European countries, America area, Asia, such as Germany, France, UK, Italy, united states, Mexico,Brazil, Egypt, Japan, and so on. Some of them are our regular clients and some of them are developing. We hope you can join us and make mutual benefit from our cooperation.
