Solar LED Street Light with long Life Span Mono Solar Panel streetlight 3000K-6500K with motion sensor wall lamp outdoor

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: EMC, RoHS, CE, FCC, LVD
- Model Number: YHZ- solarstreet
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

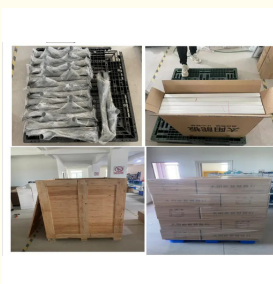

Product Specification

- Led Chip: SMD3030
- Application: Road , Street , Yard, Park, Garden Etc
- Luminous Flux: 150lm/w
- Lighting Mode: Remote Control+Light Control+Radar Sensor
- Color Temperature: 3000K-6500K
- Panel: Mono Solar Panel
- Battery: Lithium Iron Phosphate Battery
- Highlight: **Mono Solar Panel Street Light,
Outdoor Solar LED Street Light,
Outdoor LED Street Light**

Product Description

Product Description:

Our Integrated Solar LED Street Light is made of aluminum alloy and featured with color temperature of 3000K-6500K, making it perfect for road, street, yard, park, garden and other outdoor lighting applications. It is certified with EMC, RoHS, CE, FCC and LVD and has a warranty of 3-5 years. The integrated solar LED light is a great choice for lighting up your road, street and outdoor environment and it is also a perfect replacement of traditional lighting. Our integrated solar street lighting controller is designed to meet the needs of modern urban lighting and provide a perfect solution for solar street lighting.

Features:

- 1. Monocrystalline silicon solar panels:** the light with high -quality Monocrystalline silicon solar panel, Long lasting, Improve 18% power output efficiency, Up to 90% board & conversion rate .
- 2.Remote Control & Lighting Control:** this light is not only remote control but also lighting control.the light is waterproof. It is waterproof IP65, it can be used outdoor, and no worry rainy days outside
- 3.Grade A Lifep04 Lithium battery:** the lithium iron phosphate battery has a long service life, and the cycle life is more than 2000 times, which is safe to use. Fast charging and high temperature resistance. control.the light is waterproof. It is waterproof IP65, it can be used outdoor, and no worry rainy days outside
- 4.Long Lasting Time:** the light is long lasting 4-5 Rainy days after full charged, charging time about 6-8hrs. It can lighting over than 12 hours , all the night.
- 5. High power & super brightness:** This light is high power light from 200-500W for selection, with the 5054 SMD Led chips which is very brightness to light up your night.
- 6. Multi-application:** This led light is widely used for garden,park,courtyard,playground,stadium, industry,etc.,outdoor places

Technical Parameters:

Power	200w	300w	500w
Material	Die-casting aluminum + Glass		
Color Temperature	3000K-6500K		
Luminous Flux	150lm/w		
Life Span	50,000hrs		
Solar Panel	6V/35w (450*630MM)	6V/50w (530*670MM)	6V60W (610*670MM)
Led qty	60	60	60
Discharge Current	3.2V/40A	3.2V/50AH	3.2V/50AH
Panel	Remote Control,Motion Sensor, Timer		
IP Rating	Courtyard,Park,Garden,Farm, Main Road & Secondary Road.....		

Applications:

Yahua Solar Street lighting's YHZ-solarstreet is an automated solar LED street light, integrated with solar panel, light control and radar sensor. It has a lifespan of up to 3-5 years, with a CE, IP65, ROHS and ISO certification for quality and safety. Its SMD3030 LED chip provides high CRI Ra>80 for improved illumination, and its lighting mode can be controlled both remotely and through light and radar sensor. Delivery is estimated at 5-8 days, with payment terms including L/C, D/A, D/P, T/T, Western Union and MoneyGram. This solar street lamp is capable of providing outdoor lighting for street lighting systems, and its supply capacity is estimated at 3000pcs/month.

Support and Services:

We provide technical support and service for Outdoor LED Street Light.

Our technical support includes:

Assistance with product installation

Troubleshooting product-related issues

Providing technical advice and support

Replacement of defective parts or components

Our service includes:

1. Certificated by ios9001,CE, Rohs,IP65, etc Certifications.
2. OEM Serviceing solutions ability and high producing skilled workers.
3. Competitive price, Fast delivery, Best Service.
4. Installation guide by engineer.
5. High quality products exported more than 50countries, got highly appreciated from coustomers.

Packing and Shipping:

Packaging and Shipping

Solar LED Street Lights are packaged and shipped in a secure and reliable manner. We use heavy-duty cardboard boxes to protect the lights during transit. The boxes are marked with our name and logo to ensure traceability. Inside the box, the lights are carefully wrapped in bubble wrap and foam to provide additional protection. We also include a manual and warranty information in each package.

We use a variety of shipping methods depending on the size and weight of the order. We offer local delivery for orders within the city, as well as ground, air and sea shipping for orders outside the city. We also have a reliable network of partners that provide door-to-door delivery services for international orders.

FAQ:

Q: What is the brand name of the Solar LED Street Light?

A: The brand name is Yahua Solar Street lighting.

Q: What is the model number of the Solar LED Street Light?

A: The model number is YHZ-solarstreet.

Q: What is the place of origin of the Solar LED Street Light?

A: The place of origin is Guangdong, China.

Q: What certifications does the Solar LED Street Light have?

A: The Solar LED Street Light has CE, IP65, ROHS, and ISO certifications.

Q: How long does it take to deliver the Solar LED Street Light?

A: The Solar LED Street Light takes 5-8 days to deliver.

Q: What payment terms do you offer for the Solar LED Street Light?

A: We offer L/C, D/A, D/P, T/T, Western Union, and MoneyGram payment terms for the Solar LED Street Light.

Q: How many Solar LED Street Lights can you supply monthly?

A: We can supply up to 3000pcs of Solar LED Street Lights monthly.
