

3 Years Warranty Integrated Solar Street Light with Lighting Time More Than 12 Hours

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Sensing Distance: 15-20m
- Lighting Angle: 140°
- Warranty: 3 Years
- Working Temperature: -20°C~+60°C
- Battery Capacity: 12.8V/20AH
- Voltage: 12.8V
- Waterproof Level: IP65
- Material: Aluminum Alloy
- Highlight: **12 Hours Integrated Solar Street Light**

Product Description

Product Description:

Our Integrated Solar Street Light is an all-in-one solar outdoor lamp that is powered by monocrystalline silicon solar panel. Built with aluminum alloy material, it is designed to withstand extreme weather conditions such as -20°C~+60°C. Equipped with a powerful 150W rated power and 12.8V/20AH battery capacity, this lamp is perfect for lighting up streets and other outdoor areas. Its integrated design makes it an energy-efficient and cost-saving solar powered street lamp that is easy to install and maintain.

Features:

Product Name: Integrated Solar Street Light

Battery Capacity: 12.8V/20AH

Working Temperature: -20°C~+60°C

Lighting Angle: 140°

Waterproof Level: IP65

Voltage: 12.8V

Integrated Solar Lighting System

Integrated Solar Outdoor Light

Solar Powered Street Lamp

Technical Parameters:

Light Source	Solar
Material	Aluminum Alloy
Warranty	3 Years
Working Temperature	-20°C~+60°C
Luminous Flux	150-160LM/W
Color Temperature	6000K
Battery Capacity	12.8V/20AH
Sensing Distance	15-20m
Solar Panel	Monocrystalline Silicon
Installation Height	6-7m
Product Type	Integrated Solar Lighting System, All-in-one Solar Lamp, Solar Powered Outdoor Light

Applications:

Yahua Lighting's Integrated Solar Street Lamp YHZ-SSL is an all-in-one solar lamp designed to provide efficient and long lasting lighting solutions to various outdoor spaces. This integrated lamp is certified by CE IP65 ROHS ISO and is manufactured in China with a 5-8 days delivery time. Payment options include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. It can operate under a temperature range of -20°C~+60°C and produces a 6000K color temperature. The sensing distance is 15-20m and it is made of aluminum alloy material with a power of 150W.

Packing and Shipping:

Packaging and Shipping

The Integrated Solar Street Light is shipped securely in specialized cartons designed to protect the contents. All components are inspected before packaging to ensure they are free from damage. Each item is individually packed and labeled with its corresponding part number.

The cartons are sealed and labeled with the shipping address and customer contact information. The cartons are placed

on pallets for secure shipment to the customer. The pallets are wrapped with shrink wrap for extra protection.
