IP65 Waterproof All-in-one Solar Street Light 12+ Hours Lighting Time

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

Product Specification

- Working Temperature: -20℃~+60℃
- Material: Aluminum Alloy
- Light Source: Solar
- Sensing Distance: 15-20m
- Luminous Flux: 150-160LM/W
- Color Temperature: 6000K
- Battery Capacity: 12.8V/20AH
- Warranty: 3 Years
- Highlight: **IP65 Waterproof Solar Street Light**

Product Description:

Integrated Solar Street Light is an all-in-one solar lighting system for outdoor lighting. It integrates the battery, solar panel, controller, light source and other components into one product with high efficiency and energy saving. This integrated solar lighting system uses a 12.8V/20AH battery, a 150W power, 140° lighting angle and a 12.8V voltage. It is designed to work in a wide temperature range of -20°C~+60°C. With its intergrated solar lighting system, the integrated solar street light is designed to meet the needs of outdoor lighting, providing a reliable, convenient and efficient lighting solution.

The integrated solar street light is equipped with an advanced all-in-one solar lighting system which is energy-efficient and eco-friendly. This solar lighting system is designed to provide illumination with maximum efficiency and minimal power consumption. It is easy to install, and is suitable for a wide variety of applications. The integrated solar street light is also designed with a high-efficiency solar panel, which captures more sunlight and ensures a longer life span of the product.

The integrated solar street light is ideal for lighting roads, parks, courtyards, parking lots and pathways. It is a reliable and cost-efficient lighting solution for outdoor lighting. With its advanced integrated solar lighting system, the integrated solar street light is a perfect choice for providing illumination in outdoor areas. It is easy to install and use, and is an energy-efficient and eco-friendly solution for outdoor lighting.

Features:

Product Name: **All-in-one Solar Street Light**
Voltage: 12.8V
Battery Capacity: 12.8V/20AH
Lighting Time: More Than 12 Hours
Light Source: Solar
Lighting Angle: 140°
Integrated Solar Outdoor Light
Intergrated Solar Lighting System

Technical Parameters:

Parameter	Value
Intergrated Solar Lighting System	All-in-one Solar Lamp
Integrated Solar Outdoor Light	Yes
Color Temperature	6000K
Working Temperature	-20°C~+60°C
Voltage	12.8V
Lighting Time	More Than 12 Hours
Material	Aluminum Alloy
Waterproof Level	IP65
Luminous Flux	150-160LM/W
Solar Panel	Monocrystalline Silicon
Sensing Distance	15-20m
Battery Capacity	12.8V/20AH

Applications:

Integrated Solar Street Light is perfect for providing efficient lighting to outdoor areas such as streets, gardens, parks, courtyards, and more. Yahua Lighting's YHZ-SSL model is available in China, and is certified by CE, IP65, ROHS and ISO. This street light is made of aluminum alloy, which ensures its waterproof level of IP65 and a luminous flux of 150-160LM/W. The delivery time is 5-8 days and payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram. This integrated solar street light has a 3-year warranty and a

power of 150W.

Packing and Shipping:

The Integrated Solar Street Light will be packaged and shipped according to the following specifications:

The product will be packed in a corrugated box with a foam insert to protect the light during shipping.

The box will be labeled with the product type, quantity, and destination address.

The box will be sealed with adhesive tape.

The product will be shipped via a reputable, reliable shipping company.

The shipment will be tracked and delivery confirmation is available.

FAQ:

Integrated Solar Street Light FAQs

Q1: What's the brand name of this product?
A1: The brand name of this product is Yahua Lighting.

Q2: What's the model number of this product?
A2: The model number is YHZ-SSL.

Q3: Where is this product made?
A3: This product is made in China.

Q4: What certifications does this product have?
A4: This product has CE, IP65, ROHS, and ISO certifications.

Q5: How long will it take to deliver this product?
A5: It will take 5-8 days to deliver this product.

Q6: What payment terms can I use?
A6: You can use L/C, D/A, D/P, T/T, Western Union, or MoneyGram.
