

## 150W Solar Powered Outdoor Light 140° Lighting Angle 15-20m Sensing Distance

### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

### Product Specification

- Working Temperature: -20°C~+60°C
- Waterproof Level: IP65
- Voltage: 12.8V
- Solar Panel: Monocrystalline Silicon
- Lighting Time: More Than 12 Hours
- Warranty: 3 Years
- Sensing Distance: 15-20m
- Light Source: Solar
- Highlight: **150W Solar Powered Outdoor Light,**  
**140° Solar Powered Outdoor Light**

## Product Description

### Product Description:

#### Integrated Solar Street Light

The Integrated Solar Street Light is a solar powered street lamp that is all-in-one, making it an ideal choice for illuminating dark roads and pathways. It is an energy-efficient and cost-effective solution for outdoor lighting. This solar powered street lamp is equipped with a high-efficiency solar panel and a long-life lithium battery, providing up to 6000K of bright, white light with a 140° lighting angle. The light is powered by 150W with a maximum installation height of 6-7m and a sensing distance of 15-20m. This all-in-one solar lamp is designed with a rust-proof aluminum alloy body and a tempered glass panel for maximum durability and strength, making it reliable and long-lasting.

### Features:

Product Name: **Integrated Solar Street Light**

Working Temperature: **-20°C~+60°C**

Waterproof Level: **IP65**

Voltage: **12.8V**

Power: **150W**

Color Temperature: **6000K**

Highlighted Keywords: **Solar Powered Street Lamp, Solar Powered Outdoor Light, Solar Powered Outdoor Light**

### Technical Parameters:

Parameter	Value
Product Name	Integrated Solar Street Light
Sensing Distance	15-20m
Power	150W
Lighting Time	More than 12 Hours
Luminous Flux	150-160LM/W
Light Source	Solar
Lighting Angle	140°
Solar Panel	Monocrystalline Silicon
Waterproof Level	IP65
Color Temperature	6000K
Warranty	3 Years

### Applications:

Yahua Lighting's All-in-one Solar Lamp, also known as an Integrated Solar Streetlamp, is an All-in-one Solar Street Light designed for easy installation and use. Yahua Lighting's YHZ-SSL model has a power of 150W and a luminous flux of 150-160LM/W. With a voltage of 12.8V, it has an IP65 waterproof level, making it suitable for outdoor use in rain or snow. With a suggested installation height of 6-7m, it is ideal for lighting up pathways, parks, and other outdoor areas. Yahua Lighting's YHZ-SSL model is certified with CE, IP65, ROHS, and ISO, and can be delivered within 5-8 days. Payment can be made via L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

### Packing and Shipping:

#### Packaging and Shipping for Integrated Solar Street Light

The integrated solar street light needs to be carefully packaged and shipped to ensure it reaches its destination safely and undamaged.

We use the following packaging and shipping methods:

All items are wrapped with bubble wrap, then placed in a box that is strong enough to protect against breaks, bumps, and moisture.

We use high quality boxes for packaging, including corrugated cardboard boxes and plastic boxes.

We use shipping services such as UPS, FedEx, and USPS for shipping.

We offer both domestic and international shipping.

## FAQ:

**Q1: What is Integrated Solar Street Light?**

A1: Integrated Solar Street Light is a kind of solar lighting system, which is manufactured by Yahua Lighting with Model Number YHZ-SSL. It uses solar energy to provide illumination for outdoor areas.

**Q2: What certifications does the Integrated Solar Street Light have?**

A2: The Integrated Solar Street Light is CE certified, IP65 rated, ROHS compliant and ISO certified.

**Q3: How long does it take to deliver the Integrated Solar Street Light?**

A3: The delivery time for the Integrated Solar Street Light is 5-8 days.

**Q4: What payment terms are available for the Integrated Solar Street Light?**

A4: The payment methods for the Integrated Solar Street Light are L/C, D/A, D/P, T/T, Western Union and MoneyGram.

**Q5: Where is the Integrated Solar Street Light manufactured?**

A5: The Integrated Solar Street Light is manufactured in China.

**Shaanxi Yahua Lighting Electric Equipment Co., Ltd.**
