

## 12.8V Integrated Solar Street Light 140° Lighting Angle

### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Delivery Time: 5-8 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

### Product Specification

- Battery Capacity: 12.8V/20AH
- Luminous Flux: 150-160LM/W
- Working Temperature: -20°C~+60°C
- Color Temperature: 6000K
- Lighting Angle: 140°
- Power: 150W
- Waterproof Level: IP65
- Solar Panel: Monocrystalline Silicon
- Highlight: **140° Integrated Solar Street Light**

## Product Description

### Product Description:

Our Integrated Solar Street Light is an ideal solar powered outdoor light for multiple applications such as providing effective and efficient light in open spaces, parking lots, driveways, pathways, and more. It is powered by solar energy with a 3-year warranty, and can operate in a wide range of temperatures from -20°C~+60°C. It is equipped with a 140° lighting angle, and a light source of solar, with a high luminous flux of 150-160LM/W. It is an integrated solar street lighting system which ensures a reliable and efficient light for your outdoor lighting needs.

### Features:

Product Name: Integrated Solar Street Light

Installation Height: 6-7m

Lighting Angle: 140°

Working Temperature: -20°C~+60°C

Color Temperature: 6000K

Battery Capacity: 12.8V/20AH

Integrated Solar Outdoor Light

All-in-one Solar Lamp

Solar Powered Outdoor Light

### Technical Parameters:

Parameter	Description
Solar Panel	Monocrystalline Silicon
Voltage	12.8V
Warranty	3 Years
Battery Capacity	12.8V/20AH
Color Temperature	6000K
Waterproof Level	IP65
Lighting Angle	140°
Installation Height	6-7m
Lighting Time	More Than 12 Hours
Luminous Flux	150-160LM/W

### Applications:

Integrated Solar Street Light From Yahua Lighting: YHZ-SSL

Yahua Lighting's YHZ-SSL Integrated Solar Street Light is the perfect solution for outdoor lighting needs. Certified with CE IP65 ROHS ISO, the all-in-one solar powered outdoor light is designed to be durable and reliable. It is easy to install and maintain with a sensing distance of 15-20m, power of 150W, and an installation height of 6-7m. The integrated solar lighting is equipped with a 12.8V/20AH solar battery capacity and offers 5-8 days of delivery time. Payment methods such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram are accepted.

Yahua Lighting's YHZ-SSL Integrated Solar Street Light is an ideal solution for various applications such as gardens, parks, streets, courtyards, and more. With its solar-powered, durable, and reliable design, it is perfect for providing a comfortable and safe environment to people. The YHZ-SSL is also an eco-friendly alternative to traditional lighting solutions, helping to reduce energy usage and emissions.

### Packing and Shipping:

Packaging and Shipping for Integrated Solar Street Light:

All the components of the Integrated Solar Street Light will be securely packaged in a box.

The box will be marked with the product name, model, quantity, and other relevant information.

The box will be securely taped and sealed before shipping.

The shipping method will depend on the customer's preference and size of the order.

### FAQ:

Q: What is the brand name of the integrated solar street light?

A: The brand name of the integrated solar street light is Yahua Lighting.

Q: What is the model number of the integrated solar street light?

A: The model number of the integrated solar street light is YHZ-SSL.

Q: Where is the integrated solar street light manufactured?

A: The integrated solar street light is manufactured in China.

Q: What certifications does the integrated solar street light have?

A: The integrated solar street light has CE IP65 ROHS ISO certifications.

Q: How long does it take to deliver the integrated solar street light?

A: The delivery time for the integrated solar street light is 5-8 days.

Q: What payment terms are accepted for the integrated solar street light?

A: The payment terms accepted for the integrated solar street light are L/C, D/A, D/P, T/T, Western Union, and MoneyGram.
