

## 150W LED Flood Light CRI>80 120° Beam Angle for Outdoor Lighting

### Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Model Number: YHZ-FL

### Product Specification

- Dimensions: 400\*300\*50mm
- Input Voltage: AC85-265V
- Lifespan: 50,000hrs
- CRI: >80
- Luminous Flux: 19500lm
- Beam Angle: 120°
- Light Source: LED
- Warranty: 3 Years
- Highlight: 150W LED Flood Light,  
Outdoor Lighting LED Flood Light,  
120° Beam Angle LED Flood Light

## Product Description

### Product Description:

The **400w Outdoor Lamp IP65 Waterproof LED Flood Light** is the perfect lighting solution for any outdoor space. This LED Flood Light is designed for maximum illumination and to provide a long-lasting and reliable source of lighting. It is ideal for outdoor lighting applications such as landscapes, gardens, patios, and driveways. The LED Flood Light offers a powerful 150W output with a wide range of color temperatures between 3000K and 6000K. It also features an IP65 rating for dust and water resistance, making it suitable for use in areas exposed to rain and other elements. The light is equipped with a dimmable feature, allowing for greater control over its output. The dimensions of the Flood Light are 400\*300\*50mm, and it is packed in a carton box for easy transport and storage.

### Features:

Product Name: LED Flood Light  
Beam Angle: 120°  
IP Rating: IP65  
CRI: >80  
Light Source: LED  
Lifespan: 50,000hrs  
Color Temperature: Warm White, 4000K  
Power: 400W  
Usage: Outdoor  
Waterproof: IP65

### Technical Parameters:

Parameter	Value
Application	Outdoor
Material	Aluminum
Luminous Flux	19500lm
IP Rating	IP65
Power	150W
CRI	>80
Package	Carton Box
Lifespan	50,000hrs
Light Source	LED
Color Temperature	3000K-6000K
Product Name	High Mast Led Flood Light
Color	Warm White 4000K

### Applications:

Yahua lighting YHZ-FL LED Flood Light is the perfect solution for large-scale lighting projects, such as stadiums, arenas, outdoor entertainment venues, and large commercial spaces. With a beam angle of 120 degrees and a luminous flux of 19500lm, this 150W LED Flood Light can illuminate an entire area with its powerful light source. This product is also ideal for lighting up facades, buildings, and monuments, as well as other architectural features. The Yahua lighting YHZ-FL is also made with a durable and long-lasting steel housing, and comes with a reliable and energy-efficient LED light source. Finally, this Led Flood Light 200W is packaged in a sturdy carton box, ensuring that it is delivered safely and securely.

### Customization:
