

120° Beam Angle 150W LED Flood Light 400*300*50mm 3000K-6000K

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Model Number: YHZ-FL

Product Specification

- Color Temperature: 3000K-6000K
- Input Voltage: AC85-265V
- Application: Outdoor
- Luminous Flux: 19500lm
- Dimensions: 400*300*50mm
- Package: Carton Box
- Material: Aluminum
- Light Source: LED
- Highlight: 400*300*50mm LED Flood Light

Product Description

Product Description:

LED Flood Light is an excellent choice for outdoor lighting applications. It is equipped with an adjustable Input Voltage of AC85-265V for greater energy efficiency. The flood light can provide up to 19500lm of brightness and the Color Temperature can be adjusted from 3000K-6000K. With a compact size of 400*300*50mm, this LED Flood Light is perfect for illuminating large outdoor areas. It is highly durable, making it a great long-term solution for your outdoor lighting needs.

Features:

Product Name: LED Flood Light

Package: Carton Box

Material: Aluminum

Warranty: 3 Years

Color Temperature: Warm White 4000K

Waterproof: Outdoor

Power: 200W

Input Voltage: AC85-265V

Technical Parameters:

Parameters	Details
Light Source	LED
Application	Outdoor
Color Temperature	3000K-6000K
Lifespan	50,000hrs
Dimensions	400*300*50mm
Package	Carton Box
CRI	>80
Material	Aluminum
Warranty	3 Years
Luminous Flux	19500lm
Product Name	150w LED Flood Light
Feature	Waterproof Floodlight Outdoor

Applications:

Yahua Lighting's YHZ-FL 150W LED Flood Light is designed to provide superior illumination of outdoor environments. With an input voltage of AC85-265V and a beam angle of 120°, it is perfect for large areas such as construction sites, stadiums, and other outdoor spaces. It also features a luminous flux of 19500lm, making it the ideal choice for illuminating large areas. Its light source is LED, making it energy efficient and long-lasting. The YHZ-FL is also designed to be IP65 waterproof, making it suitable for even the harshest weather conditions. It is also sturdy and durable, making it capable of withstanding the elements for many years to come.

The YHZ-FL LED Flood Light is perfect for 400w outdoor lighting. Its superior illumination makes it perfect for large-scale projects, such as construction sites and stadiums. Its high mast design is perfect for areas that require greater levels of illumination. With its IP65 waterproof rating, it can withstand even the harshest weather conditions. Its sturdy and durable design also ensures that it will last for many years to come.

Yahua Lighting's YHZ-FL 150W LED Flood Light is the ideal choice for outdoor lighting projects. Its superior illumination, energy efficient design, and IP65 waterproof rating make it the perfect choice for any outdoor lighting project. Its high mast design and durable construction make it perfect for illuminating large areas, while its IP65 waterproof rating ensures that it can withstand even the harshest weather conditions. With its long-lasting LED light source, it is perfect for any outdoor lighting project.

Customization:

Yahua Lighting YHZ-FL 400*300*50mm 400W Outdoor Lamp IP65 Waterproof LED Flood Light

Brand Name: Yahua lighting
Model Number: YHZ-FL
Place of Origin: China
Dimensions: 400*300*50mm
Input Voltage: AC85-265V
IP Rating: IP65
Warranty: 3 Years
Lifespan: 50,000hrs

Packing and Shipping:

LED Flood Light Packaging and Shipping

The light is packed in a cardboard box.

The box is filled with Styrofoam to ensure that the light is held securely during shipping.

All necessary product information and warranty information is included in the box.
