Our 1000W LED Flood Light is a perfect choice for outdoor lighting, such as stadium, garden, courtyard, square, etc.. It is a high-efficiency lamp with a maximum luminous flux of 19500lm. It is a warm white flood light with a color temperature of 4000K, which can create a comfortable and warm atmosphere. It is also energy efficient with an input voltage of AC85-265V. Furthermore, it is easy to install and maintain. This LED Flood Light comes with a carton box packaging for safe delivery.

### Features:

Product Name: LED Flood Light

Warranty: 3 Years

Light Source: LED

Dimensions: 400\*300\*50mm

Luminous Flux: 19500lm

Power: 150W

LED Flood Light - LED Floodlight Warm White 4000K

Outdoor LED Flood Light

Technical Parameters:

Parameter	Value
Product Name	High Mast Led Flood Light 1000W
Light Source	LED 1000W
Color Temperature	3000K-6000K (4000K Warm White)
CRI	>80
Luminous Flux	140000lm
Input Voltage	AC85-265V
Material	Aluminum
Beam Angle	120°
Lifespan	50,000hrs
Package	Carton Box
Application	Outdoor

Applications:

Yahua Lighting YHZ-FL1000W Outdoor Waterproof LED Flood Light

Yahua Lighting YHZ-FL is designed as an outdoor waterproof LED flood light, with a CRI of more than 80, IP rating of IP65, beam angle of 120° and a long lifespan of 50,000 hours. It is an ideal choice for outdoor lighting, such as gardens, stadiums, parks, buildings and other places that need bright and energy-saving lighting.

This 200W 400W outdoor waterproof LED flood light has high luminous efficiency, high brightness and wide lighting range, so as to provide sufficient illumination for a large area. It is also equipped with a waterproof rating of IP65, which makes it suitable for outdoor use in rainy and wet conditions.

The Yahua Lighting YHZ-FL 200W 400W Outdoor Waterproof LED Flood Light is perfect for outdoor lighting, and its long lifespan of 50,000 hours makes it an economical and reliable choice for lighting projects.
