LED Street Light With Lifepo4 Battery 50000hrs Life Span Input Voltage AC 110V (± 10%)

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong China
- Brand Name: high Lumen Led street light
- Certification: EMC, RoHS, CE, LVD
- Model Number: YH-HY IIGHT
- Minimum Order Quantity: 10
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Wester union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

Product Specification

- Line Diameter: 3*0.75 0.3m
- Color Temperature: 3000K- 6500K
- IP Rating: IP66 Waterproof
- Life Span: 50,000hrs
- Watt: 100W 150W 200W Street Light
- Material: Aluminum Alloy
- Input Voltage(V): AC 110V (± 10%)
- CRI: >80
- Highlight: **AC110V LED Street Light,**
Aluminum Alloy LED Street Light 150W,
Waterproof Stadium Solar Powered Light

Product Description

Product Description:

Solar LED Street Light is a reliable and energy-efficient lighting solution powered by solar energy. It is designed with Lighting Mode of Remote Control+Light Control+Radar Sensor, CRI of Ra>80, Mono Solar Panel, and Luminous Flux of 150lm/w. Our Solar LED Street Light is ideal for outdoor lighting applications, such as Road, Street, Yard, Park, Garden, etc. It is powered by solar energy, which is clean, renewable, and free from any pollution, making it a perfect choice for eco-friendly lighting. With the advanced Radar Sensor, the Solar LED Street Light will automatically turn on when it detects any motion, and turn off after the motion is gone. It also has a Dusk to Dawn setting, allowing it to turn on and off automatically based on the natural light. Our Solar LED Street Light is the perfect choice for those who are looking for an automated, energy-efficient and eco-friendly lighting solution. Contact us to get the datasheet, Pictures, video, and documents.

Features:

【Solar Powered】 This street light is solar powered, it is apply with high capacity 3.2V 36000mA battery, which can be last for a long time.

【Remote Control & Lighting Control】 This light is multi-function features, it is not only remote control but also lighting control. The light is waterproof. It is waterproof IP65, it can be used outdoor, and no worry rainy days outside

【Long Lasting Time】 The light is long lasting 12-24hrs after full charged, charging time about 5-6hrs

【High Power & Super Brightness】 This light is high power light from 50-500W for selection, and very brightness to light up your night

【Multi-application】 This led light is widely used for garden, park, courtyard, playground, stadium, industry, etc., outdoor places

Technical Parameters:

Features	Parameters
Warranty	3-5 Years
Application	Road , Street , Yard, Park, Garden Etc
CRI	Ra>80
Battery	Lithium Iron Phosphate Battery
Color Temperature	3000K-6500K
Luminous Flux	150lm/w
Life Span	50,000hrs
Led Chip	SMD3030
Model Name	All In One Solar Street Lighting
Certification	EMC, RoHS, CE, FCC, LVD
Controller	Solar Street Lighting Controller, Automated Solar LED Street Light, Automated Solar LED Street Light Controller

Applications:

Yahua Solar Street Lighting with YHZ- solarstreet

Yahua Solar Street Lighting System with YHZ- solarstreet is an automatic solar energy powered street light system that is powered by solar energy and lithium iron phosphate batteries. It meets the certification standards of EMC, RoHS, CE, FCC, and LVD. The delivery time is 5-8 days and payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The supply ability is 3000pcs/month. The LED chip is SMD3030 and the IP rating is IP65 waterproof. This solar powered street light can be used in a variety of places, including roads, streets, yards, parks, and gardens.

Support and Services:

We provide technical support and service for Outdoor LED Street Light.

Our technical support includes:

Assistance with product installation

Troubleshooting product-related issues

Providing technical advice and support

Replacement of defective parts or components

Our service includes:

1. Certificated by ios9001:2000CE, Rohs,IP65, etc Certifications.
2. OEM Serviceing solutions ability and high producing skilled workers.
3. Competitive price, Fast delivery, Best Service.
4. Installation guide by engineer.
5. High quality products exported more than 50countries, got highly appreciated from coustomers.

Packing and Shipping:

Packaging and Shipping

Solar LED street lights are packaged in sturdy, well-designed boxes suitable for shipping and storage. The packaging is designed to protect the product and ensure its safe delivery to the customer. The shipping process is handled by experienced and reliable shipping companies, with tracking services available for customers.

FAQ:

Q1: What is the brand name of this Solar LED Street Light?

A1: The brand name of this Solar LED Street Light is Yahua Solar Street lighting.

Q2: What's the model number of this Solar LED Street Light?

A2: The model number of this Solar LED Street Light is YHZ- solarstreet.

Q3: Where is this Solar LED Street Light from?

A3: This Solar LED Street Light is from Guangdong China.

Q4: What certifications does this Solar LED Street Light have?

A4: This Solar LED Street Light has CE IP65 ROHS ISO certifications.

Q5: What payment terms do you accept?

A5: We accept payment terms including L/C, D/A, D/P, T/T, Western Union, MoneyGram.
