Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua lighting
- Certification: EMC, RoHS, CE, LVD
- Model Number: YHZ-SL200W
- Minimum Order Quantity: 1
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Western union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

Product Specification

- Type: Outdoor LED Street Light 200W
- Light Source: SMD3030
- Color Temperature: 5000K
- IP Rating: IP66 Waterproof
- Life Span: 50,000hrs
- Guarantee: 5 Years
- Input Voltage(V): AC 85-265V (± 10%)
- Material: Die Casting Aluminum
- Highlight: Walkways Aluminum Alloy Waterproof Outdoor Lamp
, 200W Outdoor LED Street Light,
140Lm/W Outdoor LED Street Light

Product Description

Product Description:

High lumen output: LED street lights provide high levels of brightness for improved visibility.

Color temperature: LED street lights come in a range of color temperatures for different lighting needs.

Wattage: LED street lights come in various wattage levels to meet different lighting requirements.

IP rating: LED street lights have different IP ratings, indicating their level of water and dust resistance.

CRI: LED street lights have a color rendering index (CRI) that measures how accurately they display colors.

Mounting options: LED street lights have different mounting options, including pole-mounted, wall-mounted, and ceiling-mounted options.

Photocell sensors: LED street lights may have built-in photocell sensors that automatically turn them on and off based on ambient light levels.

Motion sensors: LED street lights may have built-in motion sensors that activate the lights when motion is detected.

Features:

Product Name: Outdoor LED Street Light 200W

Output: 24-54VDC, 50/60Hz

Watt: 200W LED Street Light

Material: Aluminum Alloy

Driver: Meanwell driver

Waterproof IP66 led street light

Lifetime 100000hours

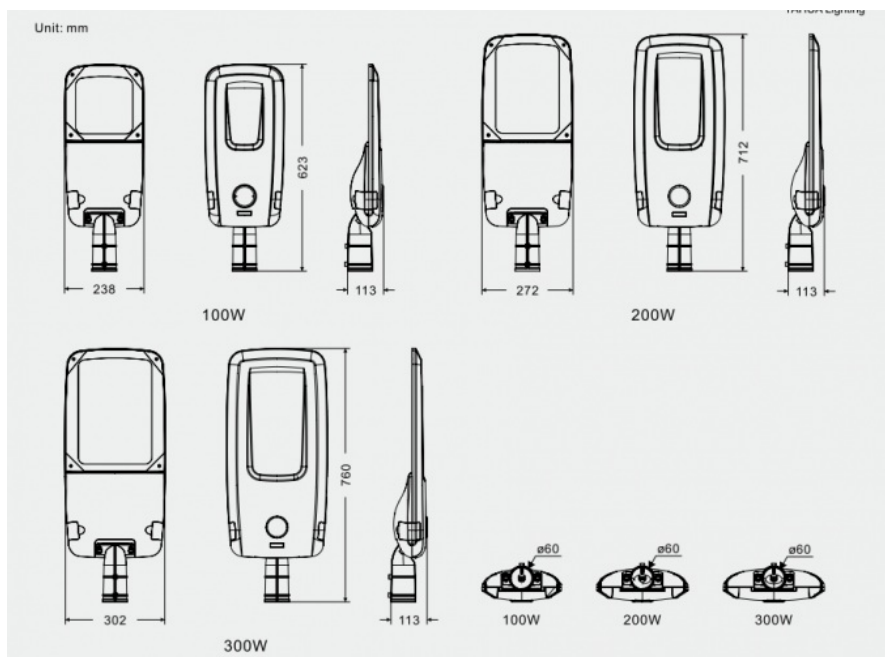

Technical Parameters:

Light Source	Specification
SMD3030,SM D5054	Outdoor LED Street Light
Warranty	IP Rating
5 Years	IP66 Waterproof
Color Temperature	Line Diameter
3000K- 6500K	3*0.75 0.3m
Luminous Flux	Material
140-150LM/W	Aluminum Alloy
Life Span	Certificate
100000hours	CE ROHS

Applications:

Outdoor LED Street Light with **high Lumen** is the perfect solution for illuminating streets, walkways, parking lots, gardens, campuses, and other outdoor places. With its **waterproof IP67** rating and **IP65** protection, it can withstand even the toughest weather conditions.

Furthermore, its **EMC**, **RoHS**, **CE**, and **LVD** certifications make it a reliable choice for those looking for quality lighting. The product is available in wattage outputs of **300w**, **200w**, **100w**, **40w**, **60w**, **80w**, **100w**, and **150w**, and its **YH-HY LIGHT** model number is easy to identify.

Support and Services:

We offer professional technical support and service for Outdoor LED Street Light. Our technical team is experienced in LED lighting design and installation, and will provide you with solutions and assistance on any questions or issues you might have.

Our technical support team is available 24 hours a day, 7 days a week. We provide prompt and friendly customer service and are committed to providing the best service possible. Our technical experts can help you install and maintain your LED street lights, as well as troubleshoot any problems you may be having.

We also offer a variety of service and maintenance plans to ensure that your Outdoor LED Street Light is always running optimally. Our maintenance plans can include regular cleaning and inspection, component replacement, and software updates. We offer flexible and customized maintenance plans to meet your needs.

We are committed to providing the highest quality of service and support for your Outdoor LED Street Light. If you have any questions or need assistance, please don't hesitate to contact us.
