Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, IP65, ISO9001
- Model Number: YHZ-HBL
- Minimum Order Quantity: 1
- Price: USD19-49
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Wester union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

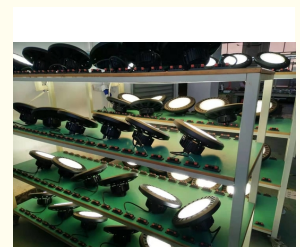

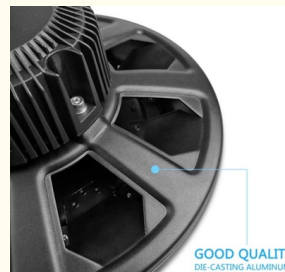

Product Specification

- Light Source: LED Brand Chips
- Warranty: 3Year/5Years
- Color Temperature: 3000K/4000K/5000K/6000K
- Power: 60W, 100W, 150w, 200w, 250w, 300w, 400w Available
- Application: Gym, Shop, Factory, Stadium, Commercial Etc
- Working Temperature(°C): -30-60
- Material: Aluminum
- Lifespan: 50,000hrs
- Highlight: Aluminum Industrial High Bay Light 200w, 300w LED High Bay Lighting, Dustproof Aluminum High Bay Light Fixtures

Product Description

Product Description:

Our **high bay lights** are designed to provide efficient and uniform lighting in high-ceilinged spaces, such as warehouses, factories, and gymnasiums. Constructed from high-quality materials, they are durable and long-lasting, with a range of options available to suit different lighting requirements.

The LED technology used for these lights provides bright and energy-efficient lighting, making them a great choice for businesses looking to reduce their energy costs. They are highly visible while consuming minimal energy, and have a long lifespan which minimizes maintenance requirements.

We offer a range of high bay lights with different wattage and lumen output, adjustable beam angles, and color temperatures. Installation and maintenance are simple, with multiple mounting options including hanging chains, hooks, or brackets. With added safety features like overheat protection and surge protection, the lights are highly customizable with options such as dimming control and motion sensors.

Our high bay lights meet the demands of even the most challenging working environments, providing high-quality, reliable lighting for any situation.

Features:

High bay lights are a great option for businesses looking for reliable and cost-effective lighting solutions for large spaces. These lights feature remarkable energy efficiency due to their use of LED technology. This technology enables them to consume less energy and have a longer lifespan than traditional lighting sources, thus reducing energy costs.

Furthermore, high bay lights provide exceptionally high levels of brightness in large spaces thanks to their high lumen output. This ensures that the light is evenly distributed throughout the area. Additionally, high bay lights are constructed from high-quality materials that are designed to withstand harsh and demanding environments, making them highly durable and long-lasting.

Moreover, these lights have a range of customizable features, such as adjustable beam angles and color temperatures. This enables businesses to create the ideal lighting environment for a particular workspace. In addition, they demonstrate excellent safety, with features such as overheat protection and surge protection to ensure safe operation. Moreover, they are easy to install and maintain, with a range of mounting options available and minimal maintenance requirements.

Technical Parameters:

Attributes	Value
Input Voltage	AC100-277V/ AC85-265V/ AC100-305V
CRI	>80
Material	Aluminum
IP Rating	IP65/IP66
Application	Gym, Shop, Factory, Stadium,Commercial Etc
Working Temperature(°C)	-30-60
Color Temperature	3000K/4000K/5000K/6000K
Light Source	LED Brand Chips
Lifespan	50,000hrs
Beam Angle	60/90/120°
Warranty	5years
Light Type	UFO High Bay Light, Industrial LED Flood Light Fixtures
Power	150w 200w 300w
Lighting	Warehouse Lighting

Applications:

Yahua Lighting provides the best performance LED high bay light with model number YHZ-HBL. This hot sale high bay light indoor is made of aluminum and has IP65/IP66 rating, making it waterproof and dustproof. Besides, it has a 50,000 hours lifespan and is certified by CE, RoHS, IP65 and ISO9001. It can be used in a wide range of input voltage from AC100-277V/ AC85-265V/ AC100-305V. Customers can choose the color temperature from 3000K/4000K/5000K/6000K. The minimum order quantity is 1 and the price is USD19-49. The delivery time is 3-7 days and payment terms include T/T, Western Union, Paypal and Credit Card. Supply ability is 8000PCS/Month and the package includes foam, carton plus and wooden case. Yahua Lighting's LED high bay light features a high lumen and good performance for lighting. It is widely used in warehouse, factory, supermarket, stadium, exhibition hall, gymnasium, gas station, tunnel etc. It is an ideal lighting solution for energy saving and environmental protection. The product is easy to install and maintain and provides a long lifespan and great cost savings. It is perfect for any indoor lighting needs.
