LED High Bay Light With 50000hrs Lifespan 100 - 160lm/W Luminous Flux

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua lighting
- Certification: CE, RoHS, IP65, ISO9001
- Model Number: YHZ-HBL
- Minimum Order Quantity: 1
- Price: USD19-49
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Wester union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

Product Specification

- Light Source: LED Brand Chips
- Power: 60W, 100W, 150w, 200w, 250w, 300w, 400w Available
- Beam Angle: 60/90/120°
- Material: Aluminum
- Input Voltage: AC100-277V/ AC85-265V/ AC100-305V
- Warranty: 3Year/5Years
- IP Rating: IP65/IP66
- Application: Gym, Shop, Factory, Stadium, Commercial Etc
- Highlight: Aluminum LED High Bay Light Dustproof, LED High Bay Light 160lm/W

Product Description

Product Description:

The **high bay lights** from our company are perfect for providing efficient and uniform lighting for spaces with high ceilings. These lights are of a high-quality, ensuring durability and longevity.

For businesses keen on reducing energy costs, the high bay lights use LED technology which is bright, energy-efficient, and long-lasting. They also allow for a level of visibility whilst consuming minimal energy and requiring minimal maintenance.

We offer high bay lights with different wattage and lumen outputs, adjustable beam angles, color temperatures, and mounting options such as hanging chains, hooks, and brackets. *These lights are also* fully customizable, with options like dimmable controls and motion sensors.

Safety and reliability is our priority, so our high bay lights feature such features as overheat and surge protection. We guarantee you a quality, reliable lighting solution that meets the needs of even the most challenging environments.

Features:

High bay lights feature a range of beneficial characteristics for businesses. First, they are highly energy-efficient; LED technology consumes less energy and has a longer lifespan than traditional lighting sources, which decreases energy costs.

Moreover, high bay lights provide a high level of brightness in large, open spaces. They boast a high lumen output, ensuring that the light is evenly distributed over the area.

In addition, these lights are manufactured using durable materials that can withstand harsh, demanding conditions. With features like overheat and surge protection, they offer reliable and long-lasting operation.

High bay lights also allow for customization to create the ideal lighting environment. These lights provide adjustable beam angles and color temperatures for maximum customization.

Finally, these lights are designed with safety in mind; they include safety features such as overheat and surge protection. Additionally, they are easy to install and require minimal maintenance, further reducing the cost of maintenance and downtime.

In summary, high bay lights are energy-efficient, bright, durable, customizable, safe, and easy to install and maintain. They are an excellent choice for businesses looking for reliable and cost-effective lighting solutions for large spaces.

Technical Parameters:

Features	Specifications
Warranty	3Years/5Years
Input Voltage	AC100-277V/ AC85-265V/ AC100-305V
Working Temperature(°C)	-30-60
IP Rating	IP65/IP66
Lifespan	50,000hrs
Beam Angle	60/90/120°
Light Source	LED Brand Chips
CRI	>80
Material	Aluminum
Color Temperature	3000K/4000K/5000K/6000K
Application	Industrial LED Flood Light Fixtures, Hot Sale High Bay Light Indoor, 5000K LED Highbay Lights for Warehouse

Applications:

Yahua lighting's YHZ-HBL LED High Bay Light is the perfect choice for industrial lighting needs. This highbay light is certified CE, RoHS, IP65, ISO9001 and offers a minimum order quantity of 1. Designed and manufactured in China, this light is made with the highest quality materials and offers a 5 year warranty. It has a luminous flux of 100-160lm/w, a CRI of >80, and a lifespan of 50,000hrs. The working temperature is -30-60°C and the material is aluminum. With an attractive price of USD19-49 and a delivery time of 3-7days, Yahua lighting's YHZ-HBL LED High Bay Light is the perfect solution for industrial and commercial lighting needs. It is perfect for warehouses, factories, production lines, and any other industrial application. It is also ideal for use in shopping malls, stores, supermarkets, and other commercial spaces. With the YHZ-HBL LED High Bay Light, you can be sure to get the highest quality industrial and commercial lighting solutions with Yahua lighting.

Support and Services:

We provide technical support and service for LED High Bay Light.

Our technical support includes but is not limited to:

Troubleshooting

Troubleshooting LED replacement

LED performance optimization

Installation instructions

Frequent maintenance tips

Product replacement advice

Our service includes but is not limited to:

On-site repair and maintenance

Free replacement of defective products

Free consultation service

24/7 customer service

Packing and Shipping:

Packaging and Shipping

LED High Bay Light is packaged with care to ensure it reaches its destination safely. It is shipped in a sturdy cardboard box and is secured with bubble wrap. The box is labelled with the product name and any relevant warnings. The box is then sealed with tape.
