## Product Description

### Product Description:

Indoor LED Lights are an energy-saving lighting solution for indoor applications such as spotlight fixtures, shop lights and farming lights. It offers high efficiency and long life with its LED light source and AC85-265V voltage, which can save up to 80% of energy compared to traditional lighting. It also features a 120° beam angle, which ensures uniform lighting and wide coverage. It is available in a range of power levels from 5W to 200W, making it suitable for all indoor lighting needs. With its high quality and energy efficiency, it can be used in any indoor space and offer superior lighting performance.

### Features:

**Product Name:** Indoor LED Lights

**Material:** Aluminum Alloy

**Color Temperature:** 2700K-6500K

**Luminous Flux:** 800-10000lm

**Application:** Indoor

**Lifespan:** 50,000 Hours

**Special Features:** Floodlight Indoor, Best Motion Sensor Light for Inside Garage, Shop LED Light Indoor

### Technical Parameters:

Attribute	Value
Warranty	3-5 Years
IP Rating	IP20-IP65
Lifespan	50,000 Hours
Voltage	AC85-265V
Power	5W-200W
Material	Aluminum Alloy
Application	Indoor
CRI	Ra>80
Light Source	LED
Beam Angle	120°
Type	Narrow Beam Spotlight Indoor, Indoor Shop Lights

### Applications:

Yahua Lighting Indoor LED Lights

Yahua Lighting offers an extensive selection of indoor LED lights for a variety of applications. The brand name is Yahua Lighting, Model Number is YHZ-INL, and the Place of Origin is China.
