## Aluminum Alloy Automatic Led Integrated 60w 100w Solar Led Street Light - 20°C~+60°C

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD19-149
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

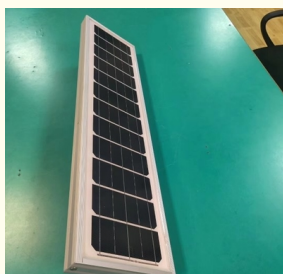

### Product Specification

- Power: 150W
- Voltage: 12.8V
- Installation Height: 6-7m/7-8m/8-9m
- Working Temperature: -20°C~+60°C
- Waterproof Level: IP65
- Battery Capacity: 12.8V/20AH,36Ah,48Ah
- Light Source: LED
- Warranty: 3 Years
- Highlight: 60w integrated solar led street light,  
100w integrated solar street light,  
IP65 integrated solar street light

## Product Description

### Product Description:

Our integrated solar street light is a reliable and energy-efficient lighting solution powered by solar energy. It is designed specifically for the illumination of roads, pathways, and other public spaces. It is made with high-quality monocrystalline silicon solar panels to ensure maximum efficiency. It has an installation height of 6 to 9 meters that provide a wide area of illumination. The luminous flux of 150-160LM/W is capable of providing more than 12 hours of lighting time. It also has a voltage of 12.8V, making it a safe and reliable lighting solution for your outdoor area. Our integrated solar street light is perfect for illuminating roads, pathways, and other public spaces. It is energy-efficient, solar-powered, and has a wide area of illumination.

### Features:

Product Name: Integrated Solar Street Light

Luminous Flux: 150-160LM/W

Material: Aluminum Alloy

Power: 150W

Voltage: 12.8V

Light Source: LED

Solar Powered Outdoor Light

Technical Parameters:

Parameter	Description
Working Temperature	-20℃~+60℃
Luminous Flux	150-160LM/W
Sensing Distance	15-20m
Installation Height	6-7m/7-8m/8-9m
Light Source	LED
Voltage	12.8V
Lighting Angle	140°
Material	Aluminum Alloy
Waterproof Level	IP65
Solar Panel	Monocrystalline Silicon

Applications:

Yahua Lighting's Integrated Solar Outdoor Light YHZ-SSL comes from China, and is certified with CE, IP65, ROHS and ISO. The minimum order quantity is 1, and the price ranges from USD19-149. The product is packed with anti-collision and shatterproof packaging, and the delivery time is 5-8 days. Payment terms can be T/T, Western Union or MoneyGram. The supply ability is 1000Pcs/month. It has a monocrystalline silicon solar panel, and can light up for more than 12 hours. The material is aluminum alloy, with 150W power and a color temperature of 6000K.

## Customization:

### Integrated Solar Street Light Customization Service

**Brand Name:** Yahua Lighting

**Model Number:** YHZ-SSL

**Place of Origin:** China

**Certification:** CE IP65 ROHS ISO

**Minimum Order Quantity:** 1

**Price:** USD19-149

**Packaging Details:** Anti-collision and shatterproof packaging

**Delivery Time:** 5-8 days

**Payment Terms:** T/T, Western Union, MoneyGram

**Supply Ability:** 1000Pcs/month

**Working Temperature:** -20°C~+60°C

**Lighting Time:** More Than 12 Hours

**Light Source:** LED

**Color Temperature:** 6000K

**Waterproof Level:** IP65

**Product:** All-in-one Solar Lamp, Solar Powered Street Lamp, Integrated Solar Street Light

## Packing and Shipping:

### Integrated Solar Street Light Packaging and Shipping

Integrated Solar Street Lights are securely packed in a cardboard box and shipped by standard delivery services. The box is optimally sized to fit the product with minimal packaging material and uses recyclable materials. The packaging is designed to protect the product from damage during transportation and to ensure safe and intact delivery.

The box contains the Integrated Solar Street Light, mounting accessories, user manual and warranty card. The user manual contains detailed instructions on installation and use of the product. The product is securely fastened in the box with bubble wrap to avoid any damage during transit.
