Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD19-149
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

Product Specification

- Power: 150W
- Waterproof Level: IP65
- Sensing Distance: 15-20m
- Luminous Flux: 150-160LM/W
- Light Source: LED
- Solar Panel: Monocrystalline Silicon
- Voltage: 12.8V
- Warranty: 3 Years
- Highlight: ip65 integrated solar led street light,
aluminum ip65 integrated solar light,
140 degree integrated solar light

Product Description

Product Description:

Integrated Solar Street Light is a revolutionary all-in-one solar powered outdoor light that totally eliminates the need for external power supply. It combines a highly efficient solar panel, long-lasting lithium battery, intelligent motion sensor and advanced LED lighting into one compact housing unit. This all-in-one solar lamp is designed for installation at height of 6-7m, 7-8m or 8-9m. The lamp is weatherproof with IP65 waterproof rating, suitable for operation in temperatures ranging from -20°C to +60°C. The built-in motion sensor provides a sensing distance of 15-20m and is powered by a 12.8V voltage. This solar powered outdoor light requires no maintenance, is easy to install and provides reliable illumination for an extended period of time.

Features:

Product Name: Integrated Solar Street Light
Lighting Angle: 140°
Installation Height: 6-7m/7-8m/8-9m
Battery Capacity: 12.8V/20AH,36Ah,48Ah
Lighting Time: More Than 12 Hours
Solar Panel: Monocrystalline Silicon

Technical Parameters:

Parameter	Solar Powered LED Street Lamp
All-in-one Solar Street Light	Yes
Lighting Angle	140°
Solar Panel	Monocrystalline Silicon
Warranty	3 Years
Working Temperature	-20°C~+60°C
Material	Aluminum Alloy
Battery Capacity	12.8V/20AH,36Ah,48Ah
Installation Height	6-7m/7-8m/8-9m
Sensing Distance	15-20m
Color Temperature	6000K
Light Source	LED

Applications:

Yahua Lighting's Integrated Solar Street Light (Model Number: YHZ-SSL) is the perfect solution for outdoor lighting needs. With its advanced monocrystalline silicon solar panel, high-performance lithium battery, and robust lighting system, this solar street light is your ideal choice for illuminating outdoor areas. It is CE certified, IP65 rated, ROHS compliant, ISO certified, and is available in minimum order quantity of 1. The price of this solar street light ranges from USD19-149, and it is delivered in anti-collision and shatterproof packaging within 5-8 days. Payment terms include T/T, Western Union, and MoneyGram, and the supply ability is 1000pcs/month. This integrated solar street light can work in temperatures ranging from -20°C~+60°C, and comes with a 3-year warranty. The installation height of this solar powered outdoor light ranges from 6-9m. This integrated solar street light system is the perfect choice for solar street lighting or solar energy street lights.

Customization:

Integrated Solar Street Light

Brand Name: Yahua Lighting

Model Number: YHZ-SSL
