Outdoor Lighting Waterproof Ip67 300w 200w 100w Solar Lamps All In One Led Solar Street Light

Our Product Introduction

For more products please visit us on solarledstreet-light.com

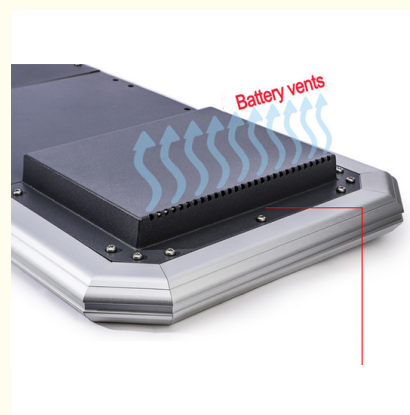

Basic Information

- Place of Origin: Guangdong China
- Brand Name: high Lumen Led street light
- Certification: EMC, RoHS, CE, LVD
- Model Number: YH-HY IIGHT
- Minimum Order Quantity: 10
- Packaging Details: Foam + carton plus + wooden case
- Delivery Time: 3-7days
- Payment Terms: T/T, Western union, Paypal, Credit Card
- Supply Ability: 8000PCS/Month

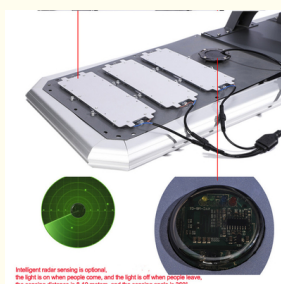

Product Specification

- Watt: Split Solar Street Light
- Power: 100w 200w 300w 400w Available
- Output: 24-54VDC, 50/60Hz
- Luminous Efficiency: 110-140LM/W
- Color Temperature: 3000K - 6500K
- Voltage: Lithium Iron Phosphate Battery
- Material: Die-casting Aluminum
- Life Span: 50,000hrs
- Application: Yard, Park, Garden, Road, School, Farm...
- LED Light Source: SMD5054
- Working Model: Remote Control+Light Control+Radar Sensor
- Highlight: ip67 300w led solar street light,
Split 300watt led solar street light,

More Images

Intelligent radar sensing is optional.
The light is on when people come, and the light is off when people leave.
The sensing distance is 5-10 meters, and the sensing angle is 180°.

Product Description

Product Description:

Outdoor Solar LED Street Light is an ideal solution for public lighting applications. Featuring an aluminum alloy material with an IP66 waterproof rating, the light is designed to provide excellent illumination against all weather conditions. It is available in several wattages, ranging from 100W to 400W, and a color temperature from 3000K to 6500K. Furthermore, its adjustable design allows for flexible positioning and the high power li-battery provides a reliable and stable operating environment. This LED street light is perfect for outdoor lighting applications such as residential areas, roadways, pathways, parks, and more.

[contact us to get video , datasheet , ce, rohs, etc certifications](#)

Features:

- 1. High lumen , brightness increased by 30%:** This street light adopts led optical lens design, and the lens of this lamps is made of PC material, so that the irradiation are is increased by more than 25% and whole light efficiency increased by 30%.
- 2. Remoted control & Lighting control :** This light is multi-cunction features, it is not only remote control but also lighting control.the light is waterproof. It is waterproof IP65, it can be used outdoor, and no worry rainy days outside
- 3. Long time Lasting :** The light is long lasting 48hrs after full charged, charging time about 6-8hrs
- 4. High power & super brightness:** This light is high power light from 100-200W for selection, and very brightness to light up your night
- 5. Multi- applications:** This led light is widely used for garden, park, courtyard, playground, stadium, industry, etc., outdoor places

Technical Parameters:

Item	Data					
Power	30w	40w	50w	60w	70w	80w
Battery capacity	259WH	320WH	400WH	444WH	555WH	555WH
LED lights qty (3030SMD)	80PCS	240PCS	300PCS	360PCS	420PCS	480PCS
Solar Panels	60W	70W	80W	90W	100W	110W
Install Height(M)	5-6M	6-7M	7-8M	7-8M	8-9M	8-9M
Weight	11kg	14kg	17kg	20kg	25kg	28kg
Work Life	3-5 years					
Material	6063Aluminum Alloy					
Charge time	8hrs					
Discharge time	Full power:>14H Induction model:48H					
Working Mode	Microwave radar induction + segmented time control + intelligent control					
Application	widely used in garden, yard, road. street , warehouse, park , square etc.					

Applications:

The Solar Street Light is our Patented Products, Designed to provide user with the high-quality solar photovoltaic street lamp, has passed ce, ROHS, etc certifications. " Wire free, easy to install" "high charging efficiency", " Strong endurance", and " outstanding light efficiency" Feature are the main Advantages of the split solar light, large capacity Lithium battery is built into the lamp body, which can absorb solar energy and convert it into electric energy by solar panellt is stored in the battery and then supplied to the solar lamp, products are widely used in highway, courtyard, and other areas.

Support and Services:

We provide technical support and service for Outdoor LED Street Light.

Our technical support includes:

- Assistance with product installation
- Troubleshooting product-related issues
- Providing technical advice and support
- Replacement of defective parts or components

Our service includes:

- 1. Certificated by ios9001:2000CE, Rohs,IP65, etc Certifications.
- 2. OEM Serviceing solutions ability and high producing skilled workers.
- 3. Competitive price, Fast delivery, Best Service.
- 4, Installation guide by engineer.
- 5. High quality products exported more than 50countries, got highly appreciated from coustomers.

Packing and Shipping:

Packaging and Shipping

Outdoor LED Street Light products are securely packaged for shipment. All items are carefully packed in a foam-lined box and/or bubble wrap for safe transit. Shipping methods include ground, air, and express delivery.

FAQ:

Q: What is the Brand Name of this product?

A: The Brand Name of this product is High Lumen LED Street Light.

Q: What is the Model Number of this product?

A: The Model Number of this product is YH-HY LIGHT.

Q: Where is this product made?

A: This product is made in Guangdong China.

Q: What certifications does this product have?

A: This product has EMC, RoHS, CE, and LVD certifications.

Q: What is the minimum order quantity?

A: The minimum order quantity is 10.
