#### Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

#### Product Specification

- Luminous Flux: 150-160LM/W
- Battery Capacity: 25.6V 32Ah/48Ah
- Solar Panel: Monocrystalline Silicon
- Lighting Time: More Than 12 Hours
- Installation Height: 9-12m
- Color Temperature: 6000K
- Power: 150W
- Voltage: 25.6V
- Highlight: Aluminum integrated solar led street light, Aluminum Alloy integrated solar street light, integrated solar street light 6000k

## Product Description

### Product Description:

Our **Integrated Solar Streetlamp** is an all-in-one solar lamp that harnesses energy from the sun to provide reliable and long-lasting illumination. Featuring a 6000K color temperature, this lamp is powered by high-efficiency LED light source and has a luminous flux of 150-160LM/W. Its lighting time is more than 12 hours, making it perfect for lighting up public spaces for extended periods of time. Furthermore, it is also built to last with a 3-year warranty included. This Integrated Solar Streetlamp is designed to provide superior illumination while still being highly energy-efficient and cost-effective.

### Features:

Product Name: Integrated Solar Street Light

Light Source: LED

Installation Height: 9-12m

Working Temperature: -20 ~+60

Sensing Distance: 20-25m

Material: Aluminum Alloy

Integrated Solar Lighting

Solar Powered Outdoor Light

Solar Powered LED Light

**Technical Parameters:**

Parameter	Detail
Lighting Angle	140°
Warranty	3 Years
Battery Capacity	25.6V 32Ah/48Ah
Luminous Flux	150-160LM/W
Working Temperature	-20 ~+60
Waterproof Level	IP65
Sensing Distance	20-25m
Solar Panel	Monocrystalline Silicon
Voltage	25.6V
Power	150W

### Applications:

Integrated Solar Street Lighting has been widely used in outdoor lighting for its convenience and energy-saving advantages. Yahua Lighting's YHZ-SSL is a CE IP65 ROHS ISO certified Integrated Solar Outdoor Light, offering a comprehensive Integrated Solar Lighting System with anti-collision and shatterproof packaging. Minimum Order Quantity is 1, and the price range is from USD105-249. Delivery Time is 5-8 days with payment terms of T/T, Western Union, MoneyGram. The Supply Ability is 500Pcs/month, and the Color Temperature is 6000K. Installation Height is 9-12m, Solar Panel is Monocrystalline Silicon, Sensing Distance is 20-25m, and the Lighting Time is More Than 12 Hours.

### Customization:

## Integrated Solar Street Light

Brand Name: Yahua Lighting

Model Number: YHZ-SSL

Place of Origin: China

Certification: CE IP65 ROHS ISO

Minimum Order Quantity: 1

Price: USD105-249

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 500Pcs/month

Lighting Time: More Than 12 Hours

Color Temperature: 6000K

Material: Aluminum Alloy

Voltage: 25.6V

Power: 150W

Our Integrated Solar Street Light is an all-in-one Solar Powered Outdoor Light, a perfect integrated lighting system for areas that don't have easy access to electricity. This Solar Lamp is CE IP65 ROHS ISO certified and made of high-quality Aluminum Alloy material. The Voltage is 25.6V, the Power is 150W, and the Color Temperature is 6000K. It illuminates for more than 12 hours and is easy to install. We offer anti-collision and shatterproof packaging and delivery takes 5-8 days. The minimum order quantity is 1 and the price range is USD105-249. We accept payment via T/T, Western Union, and MoneyGram. Our monthly supply ability is 500 pieces.

## Support and Services:

### Integrated Solar Street Light Technical Support and Service

We offer technical support and service for our Integrated Solar Street Light products. We provide a full suite of support resources to help you with your installation and maintenance. Our technical support team is available 24/7 to answer any questions you may have. We also offer installation and repair services for our Integrated Solar Street Light products.

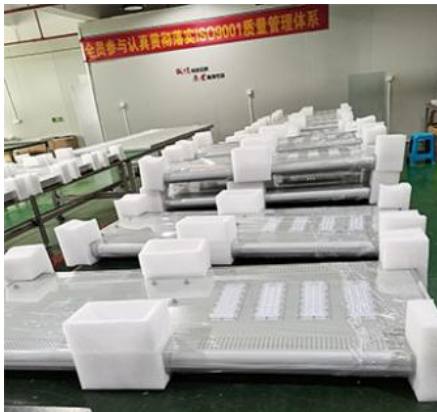

In addition, we offer online training and tutorials to help you with the installation and maintenance of your Integrated Solar Street Light product. We also provide maintenance and repair services for our products. Our Technical Support team is available to answer any questions you may have. We offer timely and effective solutions to ensure that your Integrated Solar Street Light product is working optimally.

## Packing and Shipping:

### Integrated Solar Street Light Packaging and Shipping:

**Packaging:** The integrated solar street light is packaged in a carton box with a foam cushion lining. The box is marked with specific product information and barcode.

**Shipping:** The integrated solar street light is shipped using a reliable international courier service. It is delivered within 3-5 days depending on the location.
