Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

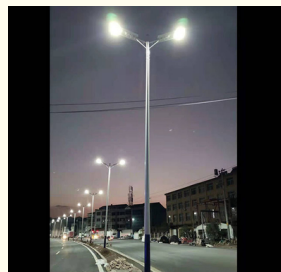

Product Specification

- Material: Aluminum Alloy
- Installation Height: 9-12m
- Power: 150W
- Battery Capacity: 25.6V 32Ah/48Ah
- Lighting Angle: 140°
- Working Temperature: -20°C~+60°C
- Color Temperature: 6000K
- Sensing Distance: 20-25m
- Highlight: integrated solar led street light ip65,
Aluminum Alloy led solar integrated lamp,
led solar integrated lamp ip65

Product Description

Product Description:

Integrated Solar Street Light is a solar powered outdoor light that utilizes solar energy to generate power, providing reliable and eco-friendly lighting for pathways, roads, gardens and other outdoor areas. This solar powered street lamp is made of aluminum alloy and is 25.6V, providing a waterproof level of IP65 and suitable for use in temperatures ranging from -20°C to +60°C. This integrated solar outdoor light provides a wide lighting angle of 140°, making it an ideal source of illumination for any outdoor area. With its energy efficient and cost-efficient design, this Integrated Solar Street Light is the perfect choice for reliable, sustainable illumination.

Features:

Product Name: **Integrated Solar Street Light**

Color Temperature: **6000K**

Sensing Distance: **20-25m**

Solar Panel: **Monocrystalline Silicon**

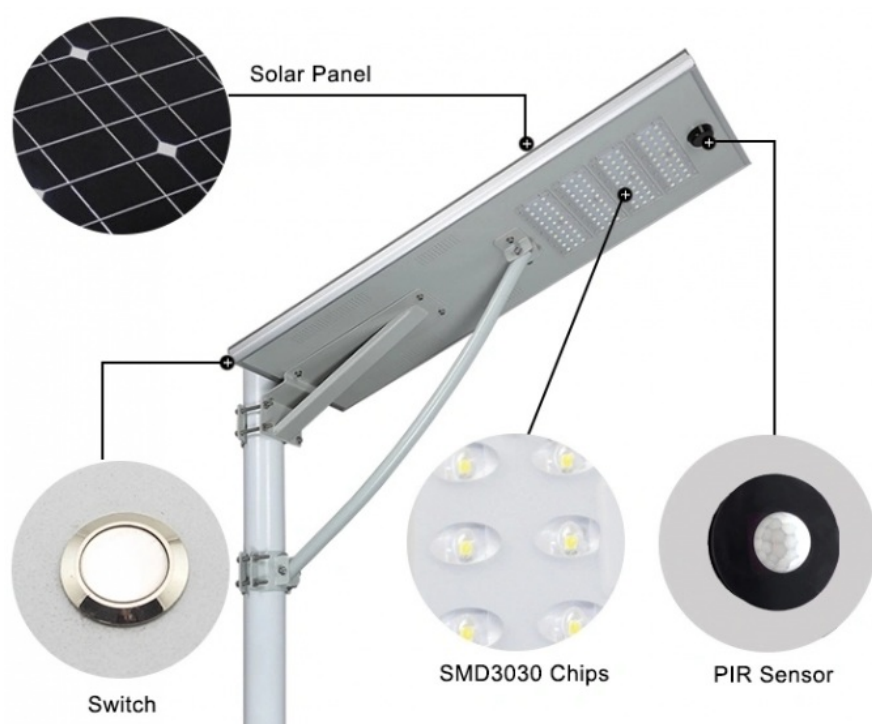

Power: **150W**

Material: **Aluminum Alloy**

All-in-one Solar Lamp

Solar Powered Street Lamp

Technical Parameters:

Parameter	Description
Product Name	Integrated Solar Outdoor Light, Solar Powered Outdoor Light, Intergrated Solar Lighting System
Voltage	25.6V
Lighting Time	More Than 12 Hours
Working Temperature	-20°C~+60°C
Sensing Distance	20-25m
Solar Panel	Monocrystalline Silicon
Power	150W
Warranty	3 Years
Material	Aluminum Alloy
Color Temperature	6000K
Installation Height	9-12m

Applications:

Yahua Lighting's Integrated Solar Street Light (Model: YHZ-SSL) is a reliable and cost-effective lighting solution for outdoor lighting. With the CE IP65 ROHS ISO certification, this solar street light is ideal for applications such as roadways, parking lots, pathways, parks, playgrounds, and other public areas. The solar powered street lamp is made of high quality aluminum alloy, making it durable and sturdy. The solar powered outdoor light features a luminous flux of 150-160LM/W, and a 25.6V battery capacity of 32Ah/48Ah. It is designed with anti-collision and shatterproof packaging for secure delivery, and is backed by a 3 years warranty. A minimum order quantity of 1 is required, and the price ranges from USD105-249. With a production capacity of 500Pcs/month, the delivery time is 5-8 days, and payment terms include T/T, Western Union, and MoneyGram.

Customization:

Integrated Solar Street Light
