

300watt Solar Street Light 150-160LM/W Solar Lights Outdoor Garden Path

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL300W
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

Product Specification

- Luminous Flux: 150-160LM/W
- Waterproof Level: IP65
- Battery Capacity: 3.2V 12000mAH Lifepo4 Battery
- Lighting Angle: 140°
- Sensing Distance: 20-25m
- Material: Aluminum Alloy
- Warranty: 3 Years
- Solar Panel: 6V15W
- Highlight: 300watt integrated solar led street light, integrated solar street light 300watt, outdoor ip65 integrated solar street light

Product Description

Product Description:

Our integrated solar street light is the perfect solution to lighting up outdoor areas and pathways. Powered by sunlight, this solar-powered lighting system is an environmentally friendly and cost-effective way to provide bright illumination to any outdoor area. With its long-lasting and energy-efficient design, our integrated solar lighting system provides an illumination of up to 150-160LM/W with a 140° lighting angle. This system is also designed with a wide working temperature range of -20°C~+60°C, so it can handle any weather condition. The integrated solar streetlamp also features a sensing distance of 20-25m, so it can respond to its surroundings quickly. With a 3-year warranty, this solar-powered outdoor light is sure to provide reliable illumination for a long time.

Features:

Product Name: **Integrated Solar Street Light 300Watt**

Installation Height: **9-12m**

Luminous Flux: **150-160LM/W**

Waterproof Level: **IP65**

Sensing Distance: **20-25m**

Solar Panel: **Monocrystalline Silicon**

Special Features: **Integrated Solar Outdoor Light, Integrated Solar Lighting, Solar Powered Street Lamp**

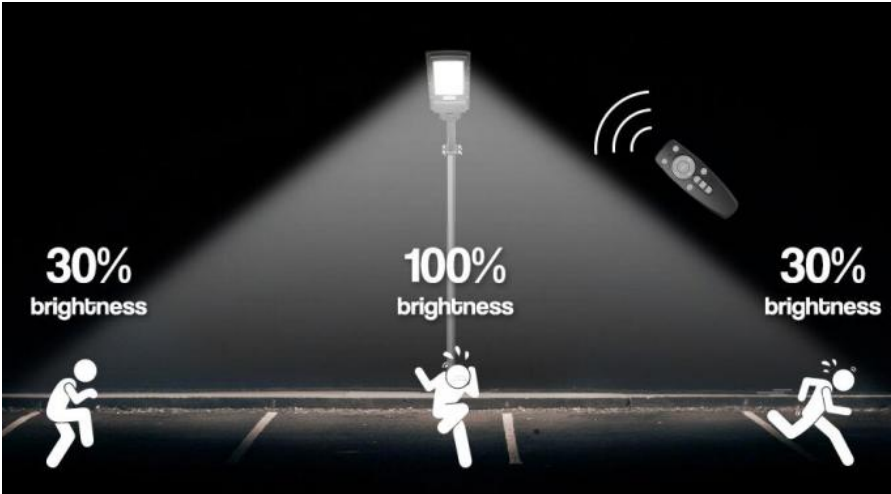

Technical Parameters:

Item	Specifications
Power	300W
Working mode	Radar sensor+remote control+Light sensor
Lighting time	12 hours per day

Battery Capacity	3.2V 12000mAh
Material	Aluminum Alloy
Solar Panel	Monocrystalline Silicon
Warranty	3 Years
Irradiation area	170 square meters
Working Temperature	-20°C~+60°C
Waterproof Level	IP65
Color Temperature	6000K
Lighting Time	More Than 12 Hours
Lighting Angle	140°

Applications:

Integrated Solar Street Lighting is an energy-efficient and cost-effective way to light outdoor areas. Yahua Lighting's YHZ-SSL is certified with CE IP65 ROHS ISO and comes with anti-collision and shatterproof packaging. With a minimum order quantity of 1, the price for this product ranges from USD105-249. Delivery time is 5-8 days with payment methods such as T/T, Western Union, MoneyGram. The supply ability is 500Pcs/month. This product is equipped with a sensing distance of 20-25m, luminous flux of 150-160LM/W, lighting time more than 12 hours, power of 150W and lighting angle of 140°.

Customization:

300watt Solar Street Light 150-160LM/W solar lights outdoor garden path

Brand Name: Yahua Lighting

Model Number: YHZ-SSL

Place of Origin: China

Certification: CE IP65 ROHS ISO

Minimum Order Quantity: 10

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 5000Pcs/month

Material: Aluminum Alloy

Battery Capacity: 3.2V 12000MAh

Solar Panel: Monocrystalline Silicon

Light Source: LED

Lighting Angle: 140°

Yahua Lighting's Integrated Solar Street Light is the perfect solution for outdoor integrated solar lighting. With CE, IP65, ROHS, ISO certification, and minimum order quantity of 1, this integrated solar outdoor light is designed with anti-collision and shatterproof packaging, a 25.6V 32Ah/48Ah battery capacity, monocrystalline silicon solar panel, and LED light source with a 140° lighting angle. With a price range of USD105-249, 500Pcs/month supply ability, and 5-8 days delivery time, choose Yahua Lighting's Integrated Solar Street Light for the perfect integrated solar lighting solution.

Support and Services:

We provide technical support and service for **Integrated Solar Street Light**. Our technical support and service includes:

24/7 online technical support

On-site installation and maintenance

Replacement of defective products

Training and guidance for product usage

Packing and Shipping:

Integrated Solar Street Light Packaging and Shipping:

The light will be packed in a protective box.

It will be shipped by air, land, or sea, depending on the destination.
We will provide tracking information upon shipment.
