Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

Product Specification

- Material: Aluminum Alloy
- Working Temperature: -20°C~+60°C
- Installation Height: 9-12m
- Sensing Distance: 20-25m
- Light Source: LED
- Warranty: 3 Years
- Lighting Angle: 140°
- Solar Panel: Monocrystalline Silicon
- Highlight: **integrated solar led street light,
40w all in one solar street light,
80w all in one solar street light**

Product Description

Product Description:

Our Integrated Solar Street Light offers a perfect combination of innovation and modern solar technology. This light is designed for maximum energy efficiency and optimal performance. The light is powered by a high-efficiency solar panel that captures the sunlight and converts it into energy. With a Color Temperature of 6000K, this Integrated Solar Street Lighting System is waterproof up to IP65 level and provides a Lighting Angle of 140°. Additionally, it has a power of 150W and comes with a 3 year warranty. This Integrated Solar Street Lighting System is the perfect solution for outdoor lighting needs.

Features:

Product Name: Integrated Solar Street Light

Sensing Distance: 20-25m

Material: Aluminum Alloy

Installation Height: 9-12m

Battery Capacity: 25.6V 32Ah/48Ah

Color Temperature: 6000K

Keywords: Integrated Solar Lighting, All-in-one Solar Lamp, Integrated Solar Street Lighting

Technical Parameters:

Property	Value
Light Source	LED
Installation Height	9-12m
Voltage	25.6V
Sensing Distance	20-25m
Lighting Time	More Than 12 Hours
Battery Capacity	25.6V 32Ah/48Ah
Warranty	3 Years
Lighting Angle	140°
Working Temperature	-20°C~+60°C
Color Temperature	6000K
Product Name	Integrated Solar Street Light
Product Type	All-in-one Solar Street Light, All-in-one Solar Lamp, Integrated Solar Lighting System

Applications:

Yahua Lighting YHZ-SSL All-in-one Solar Lamp, Integrated Solar Street Light, Solar Powered Street Lamp is the perfect solution for outdoor lighting needs. Certified with CE IP65 ROHS ISO and with a minimum order quantity of one, Yahua Lighting YHZ-SSL is an intelligent, energy-efficient and cost-effective lighting solution. It is designed to be waterproof and is rated IP65 for superior protection against water and dust. This light is made of aluminum alloy to ensure durability and long-lasting performance. The luminous flux rating of 150-160LM/W ensures that the light is highly energy efficient and is perfect for illuminating your outdoor space. With a working temperature range of -20°C~+60°C, the Yahua Lighting YHZ-SSL is built to withstand even the harshest outdoor conditions. And with an installation height of 9-12m, it is perfect for illuminating larger areas. Yahua Lighting YHZ-SSL is available at a price range of USD105-249 and is delivered in anti-collision and shatterproof packaging within 5-8 days. Payment terms include T/T, Western Union, and MoneyGram, and we can supply up to 500 pieces per month.
