## Product Description

### Product Description:

Our Integrated Solar Street Light is an all-in-one solar lamp that features a 12.8V battery capacity, available in 36Ah and 42Ah. It is designed to be installed in heights of 7-8m and powered with 60W for a maximum lighting angle of 140° with a color temperature of 6000K. It is an all-in-one, integrated solar streetlamp that is designed to provide superior lighting performance and worry-free use. With no external wiring needed, it is ideal for illuminating roads, parks, and other outdoor areas. It is waterproof, dust-proof and can withstand extreme temperatures and weather conditions. Our Integrated Solar Street Light is a perfect solution for your outdoor lighting needs.

### Features:

Product Name: All-in-one Solar Street Light 60W

Waterproof Level: IP65

Light Source: LED

Solar Panel: Monocrystalline Silicon

Warranty: 5 Years

### Technical Parameters:

Parameter	Description
<b>Solar Panel</b>	<b>Monocrystalline Silicon</b>
Waterproof Level	IP65
Warranty	5 Years
Working Temperature	-20°C~+60°C
Lighting Time	More Than 12 Hours
Color Temperature	6000K
Luminous Flux	150-160LM/W
Lighting Angle	140°
Light Source	LED

Parameter	Description
Battery Capacity	12.8V 36Ah/42Ah
Product Type	All-in-one Solar Lamp, All-in-one Solar Lamp, Integrated Solar Street Lighting

**Applications:**

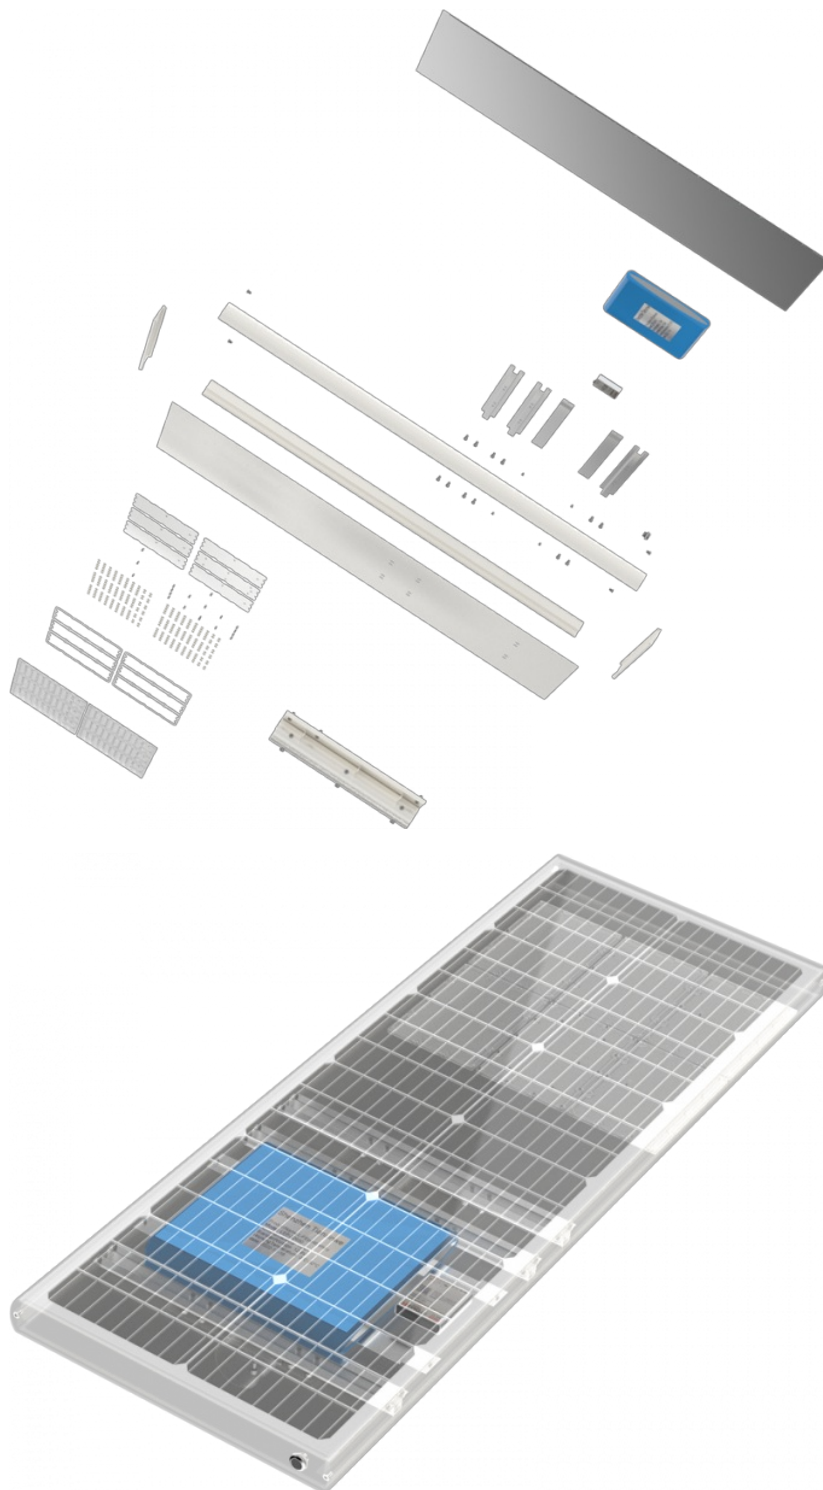

Integrated Solar Street Light from Yahua Lighting (Model: YHZ-SSL) has all-in-one design, with CE IP65 ROHS ISO certification, made of Aluminum Alloy material, 60W power, 20-25m between distance, 140° lighting angle, and IP65 waterproof level. Minimum order quantity is 1 with anti-collision and shatterproof packaging and 5-8 days delivery time. Payment terms available are T/T, Western Union, MoneyGram and 500Pcs/month supply ability.

**Customization:**

Yahua Lighting provides custom service for Integrated Solar Street Light with the following properties:

- Brand Name: Yahua Lighting
- Model Number: YHZ-SSL60W
- Place of Origin: China
- Certification: CE IP65 ROHS ISO
- Minimum Order Quantity: 1
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 2000Pcs/month
- Sensing Distance: 20-25m
- Waterproof Level: IP65
- Solar Panel: Monocrystalline Silicon
- Battery Capacity: 12.8V 36Ah/42Ah
- Lighting Angle: 140°

Yahua Lighting specializes in producing Solar Powered Street Lamp, Integrated Solar Streetlamp, All-in-one Solar Street Light. We have strong capacity to fulfill your customized orders with quality assurance and fast delivery.

## Support and Services:

Integrated Solar Street Light Technical Support and Service

We provide technical support and service for Integrated Solar Street Light products. Customers can contact us for assistance in the following areas:

Troubleshooting product installation, use, and maintenance

Product specifications and features

Product warranty

Solar panel installation and maintenance

Lighting system installation and maintenance

Lighting system controls and programming

We also provide remote support services, such as online video conferencing and remote access to the customer's site, to provide assistance onsite if needed. We are committed to providing the best customer service and technical support for our Integrated Solar Street Lights.

## Packing and Shipping:

Packaging and Shipping

Integrated Solar Street Light is carefully packaged before shipping. The package includes the light, mounting accessories, user manual, and a warranty card. The light is securely enclosed in foam and packaged in a cardboard box to protect it from any damage during transportation.

The light is shipped via a trusted courier service. The estimated delivery time depends on the destination and shipping method chosen. Once the order is placed, the customer will be provided with a tracking number that they can use to track the progress of the shipment.
