Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ-SSL
- Minimum Order Quantity: 1
- Price: USD105-249
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 500Pcs/month

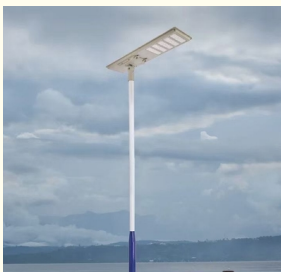

Product Specification

- Battery Capacity: 3.2V 100AH Lifepo4 Battery
- Solar Panel: 6V 80W Mono Solar Panel
- Waterproof Level: IP65
- Power: 200W
- Working Mode: Light Sensor+Time Control+Remote Control
- Installation Height: 9-12m
- Warranty: 5 Years
- Light Source: LED
- Highlight: 11200lm integrated solar led street light,
11200lm 200w integrated solar light,
aluminum alloy integrated solar light

Product Description

Product Description:

Integrated Solar Street Lighting is a revolutionary, cost-effective solution to traditional street lighting. Combining solar powered outdoor lighting with a long-life lithium battery, it provides illumination for more than 12 hours with no additional energy input. The installation height of the system ranges from 9 to 12 meters, and the monocrystalline silicon solar panel has a power rating of 150W. The system is equipped with a battery capacity of 25.6V 32Ah/48Ah, enabling it to provide reliable, sustainable lighting to any area.

Features:

Product Name: Integrated Solar Street Light, Integrated Solar Outdoor Light, Integrated Solar Streetlamp

Waterproof Level: IP65

Battery Capacity: 3.2V 100Ah

Warranty: 5 Years

Material: Aluminum Alloy

Color Temperature: 6000K

Technical Parameters:

Parameter	Details
Solar Panel	Monocrystalline Silicon
Installation Height	9-12m
Color Temperature	6000K
Light Source	LED
Material	Aluminum Alloy

Power	200W
Lighting Angle	140°
Battery Capacity	25.6V 32Ah/48Ah
Lighting Time	More Than 12 Hours
Waterproof Level	IP65

Applications:

Integrated Solar Street Light

Brand Name: Yahua Lighting

Model Number: YHZ-SSL

Place of Origin: China

Certification: CE IP65 ROHS ISO

Minimum Order Quantity: 1

Price: USD105-249

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 500Pcs/month

Waterproof Level: IP65

Warranty: 3 Years

Lighting Time: More Than 12 Hours

Working Temperature: -20°C~+60°C

Lighting Angle: 140°

Yahua Lighting's Integrated Solar Street Light is an all-in-one solar lighting solution, perfect for a wide range of outdoor lighting applications such as garden lighting, courtyard lighting, driveway lighting, and more. This Integrated Solar Street Light is equipped with advanced technologies that make it extremely energy efficient and durable, perfect for long-term use. It is easy to install and requires no additional wiring or cables. This Integrated Solar Street Light is also waterproof and dustproof with an IP65 rating, making it suitable for even the harshest of weather conditions. With a lighting time of more than 12 hours, and a 140° lighting angle, this Integrated Solar Street Light is perfect for any outdoor lighting need.

Customization:

Integrated Solar Street Light Customization Service

Brand Name: Yahua Lighting

Model Number: YHZ-SSL

Packaging Details: Anti-collision and shatterproof packaging

Delivery Time: 5-8 days

Payment Terms: T/T, Western Union, MoneyGram

Supply Ability: 500Pcs/month

Power: 150W

Material: Aluminum Alloy

Sensing Distance: 20-25m

Solar Panel: Monocrystalline Silicon

Installation Height: 9-12m

Specializing in Integrated Solar Lighting Solutions

Yahua Lighting provides customized Integrated Solar Street Light solutions that are perfect for your outdoor lighting needs. Our Integrated Solar Street Light is made of the highest quality material and certified CE IP65 ROHS ISO. It features a power of 150W with a sensing distance of 20-25m. The solar panel is constructed with Monocrystalline Silicon, and the installation height is 9-12m. We offer this product with anti-collision and shatterproof packaging and delivery within 5-8 days upon ordering. We accept T/T, Western Union, MoneyGram payments and have a monthly supply ability of 500Pcs. Place your order today and enjoy Yahua Lighting's Integrated Solar Lighting solutions!

Support and Services:

Integrated Solar Street Light provides technical support and services for its customers. Technical support includes troubleshooting, installation guidance, product advice and any other technical assistance. The service includes regular maintenance, replacement parts, warranty services and customer service support.

Packing and Shipping:

Packaging and Shipping of Integrated Solar Street Light

We use strong and durable corrugated cardboard boxes for packaging the Integrated Solar Street Light. To ensure that the product is safe and secure during shipping, a layer of bubble wrap is added inside the box. The box is taped securely with adhesive tape. The label on the box contains all the necessary information required for shipment.

We use reliable shipping services to ship our products. We provide tracking information to the customers so they can track the status of their order. We also provide insurance coverage on certain products for additional protection.
