## Solar Energy Aluminum Alloy Powered Street Light 150lm/W

Our Product Introduction

For more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

### Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: EMC, RoHS, CE, FCC, LVD
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD19-149
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

### Product Specification

- Working Temperature: -40 -60
- IP Rating: IP65 Waterproof
- Color Temperature: 3000K-6500K
- Panel: Mono Solar Panel
- Battery: Lithium Iron Phosphate Battery
- Lighting Mode: Remote Control+Light Control+Radar Sensor
- Luminous Flux: 150lm/w
- Highlight: 150lm/w led street light outdoor waterproof,  
6500K led street light outdoor waterproof,  
led solar street lamp 150lm/w

## Product Description

### Product Description:

Our Solar LED Street Light features a reliable Mono Solar Panel and SMD3030 LED Chip with a color temperature range of 3000K-6500K and CRI of Ra > 80. This solar powered street light provides a fully automatic lighting system that can be remotely controlled with light and radar sensors. Our solar LED Street Light is the perfect solution for any outdoor lighting application like walkways, parking lots, and residential areas. With our automatic solar street lighting system, you'll get an efficient and reliable lighting performance without worrying about energy costs.

### Features:

Product Name: Automated-Solar-LED Street Light

Application: Road , Street , Yard, Park, Garden Etc

Material: Aluminum Alloy

Lighting Mode: Remote Control+Light Control+Radar Sensor

Warranty: 3-5 Years

Life Span: 50,000hrs

Powered by: Solar Energy

Features: Automated Street Light

### Technical Parameters:

Attribute	Solar LED Street Light
Luminous Flux	150lm/w
Warranty	3-5 Years
Material	Aluminum Alloy
Model Name	All In One Solar Street Lighting
Panel	Mono Solar Panel
IP Rating	IP65 Waterproof
CRI	Ra>80
Battery	Lithium Iron Phoshpate Battery
Application	Road, Street, Yard, Park, Garden Etc.
Color Temperature	3000K-6500K

## Applications:

Yahua Solar Street Lighting offers a perfect solution for the lighting needs of roads, streets, yards, parks, gardens and other outdoor places. Our All-In-One Solar Street Lighting System utilizes high-efficiency solar panels to convert sunlight into electricity, which is then stored in a rechargeable lithium battery to ensure a steady supply of power throughout the day. The model number YHZ-SSL is certified with CE, IP65, ROHS and ISO and comes with a minimum order quantity of 1 piece at a price of USD19-149. The material used for this product is aluminum alloy for greater durability and the life span of the product is 50,000hrs. It has an anti-collision and shatterproof packaging for secure delivery and can be delivered within 5-8 days. Payment terms are T/T, Western Union, MoneyGram. We have a supply ability of 3000pcs/month and the working temperature range of this product is -40 -60 . This Integrated Solar LED Light, Solar Street Lighting System, Solar Rechargeable Street Light, All In One Solar Street Light offers great performance and is an ideal choice for outdoor lighting.

## Packing and Shipping:

### Packaging and Shipping

At Solar LED Street Light, we have designed our packaging and shipping process to ensure that our products are delivered in the best condition. All products are carefully packed in cardboard boxes, and then sealed with tape for extra protection. All packages are labeled with the product description, model number and order number. We ship our products via reliable couriers to ensure that they arrive on time and in good condition.

## FAQ:

Q: What is the Brand Name of the Solar LED Street Light?

A: The brand name of the Solar LED Street Light is Yahua Solar Street lighting.

Q: What is the Model Number of the Solar LED Street Light?

A: The model number of the Solar LED Street Light is YHZ-SSL.

Q: Where is the place of origin of the Solar LED Street Light?

A: The place of origin of the Solar LED Street Light is Guangdong China.

Q: What certifications does the Solar LED Street Light have?

A: The Solar LED Street Light has CE IP65 ROHS ISO certifications.

Q: What is the minimum order quantity for the Solar LED Street Light?

A: The minimum order quantity for the Solar LED Street Light is 1.
