Basic Information

- Place of Origin: China
- Brand Name: Yahua Lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD19-149
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 1000Pcs/month

Product Specification

- Lighting Mode: Time Control
- Lumen: 12000lm
- Light Post: Available
- Product Name: Solar Panel Street Light
- Power: 120W
- Component: LED Lamp, Mono Solar Panel, Battery Box, Battery, Connecting Wire, Solar Controller
- Waterproof Level: IP65
- Color Temperature: 5000K-6000K
- Highlight: 12000lm 100w solar power street lights, 100w solar panel street light 12000lm, time control solar panel street light

Product Description

Product Description:

Solar Panel Street Lights is a revolutionary lighting solution powered by solar energy. This product is designed to provide reliable and long-lasting lighting for 12 hours with a single charge, which makes it an ideal solution for outdoor lighting. The solar panel used in this product is made of monocrystalline silicon, highly efficient in converting sunlight into electricity. The product is made of aluminum alloy which is lightweight and durable and comes with a warranty of 3 years. With a weight of only 12.5kg, Solar Panel Street Lights are easy to install and maintain.

The Solar Powered Street Lights offer reliable lighting by harvesting energy from the sun, making them an eco-friendly solution for lighting up roads, streets, gardens, etc. It's a great way to reduce electricity bills and carbon footprint. Solar Panel Road Lights are also capable of providing lighting in remote areas, making them a perfect choice for those looking for a cost-effective lighting solution. Moreover, Solar Powered Road Lights are easy to install, maintain, and operate, making them a perfect choice for those who are looking for a reliable lighting solution.

Product details

High-quality products, not afraid to zoom in

1. High Quality LED lamp
Lives up to 30,000 hours

2. Induction switch
More energy efficient

3. Good material
Non-deformable

Features:

Product Name: Solar-Panel Street Light

Material: Aluminum Alloy

Power: 120W

Color Temperature: 5000K-6000K

Lighting Mode: Time Control
Waterproof Level: IP65
Solar Powered Street Lamp
Solar Powered Streetlighting
Solar Powered Path Lights

Technical Parameters:

Parameter	Description
Warranty	3 Years
Working Temperature	-20°C-60°C
Lumen	12000lm
Material	Aluminum Alloy
Color Temperature	5000K-6000K
Component	LED Lamp, Mono Solar Panel, Battery Box, Battery, Connecting Wire, Solar Controller
Product Name	Solar Panel Street Light
Lighting Time	12 Hours
Light post	Available
Waterproof Level	IP65
Keyword	Solar Powered Outdoor Lighting, Solar Powered Streetlighting, Solar Powered Path Lights

Applications:

Yahua Lighting YHZ-SSL Solar Panel Street Light

Yahua Lighting YHZ-SSL Solar Panel Street Lights are the perfect way to provide powerful, energy-efficient illumination to outdoor areas such as roads, parks, walkways, industrial complexes, and more. These solar-powered street lights use the latest in LED lighting technology to ensure maximum brightness and energy efficiency. With a 12000lm output, they provide 12 hours of light on a single charge, and feature a 3-year warranty. The lights are designed with a mono solar panel, battery box, battery, connecting wire, solar controller, and LED lamp, and are CE IP65 ROHS ISO certified, anti-collision and shatterproof packaged, and available with a minimum order quantity of 1. Prices range from USD19 to 149.

Yahua Lighting YHZ-SSL Solar Panel Street Lights are ideal for providing reliable solar-powered road lighting, solar-powered street lighting systems, solar street lamps, and solar LED street lights. They are easy to install and maintain, and provide a secure, energy-efficient, and cost-effective solution for areas in need of reliable outdoor lighting.

Customization:

Yahua Lighting's Solar Panel Street Light (YHZ-SSL) is a great choice for outdoor lighting. It is powered by solar energy and can be easily installed in any outdoor area. Our Solar Panel Street Light is certified with CE IP65 ROHS ISO and is made of high quality aluminum alloy, making it durable and long lasting. It is also waterproof, with a waterproof level of IP65. This product includes a LED Lamp, Mono Solar Panel, Battery Box, Battery, Connecting Wire, Solar Controller, and is 12.5kg in weight. Light post is also available for this product. This product is available with minimum order quantity of 1 at an affordable price of USD19-149. We offer great packaging services with anti-collision and shatterproof packaging to ensure safety during delivery. We can deliver this product within 5-8 days and accept payment via T/T, Western Union, MoneyGram. We also have a supply ability of 1000Pcs/month.

Our Solar Panel Street Light is perfect for Solar Powered Path Lights, Solar Powered Outdoor Lighting, Solar Powered Streetlighting, and Solar Powered Street Lights. This product is an excellent choice for any outdoor area and provides long lasting lighting with maximum efficiency.

Support and Services:

Packing and Shipping:

Packaging and Shipping for Solar Panel Street Light

For each Solar Panel Street Light, we use a cardboard box for packaging. The box is designed with special cushioning to protect the light

from damage. Once the box is sealed, it is labeled with the name of the product, weight, and shipping address. We use a reliable shipping company to ensure that the Solar Panel Street Light reaches its destination safely. The shipping company will track the package and provide updates on its status.

We value your satisfaction and strive to provide the best service possible. Thank you for choosing Solar Panel Street Light!
