Product Description

Product Description:

LED Flood Light is an ideal lighting solution for outdoor applications. With its high CRI value of greater than 80, it ensures the vivid and precise color rendering in the area. The light source used for this flood light is LED which is energy efficient and eco-friendly. The IP rating of IP65 makes it a perfect choice for outdoor lighting as it provides resistance from dust, dirt, water and other external elements. Moreover, its working time of 50000 hours gives you the assurance of a long lasting and highly durable product. This LED flood light is perfect for applications such as gardens, roads, courtyards, squares, farms, schools, parks, etc.
