

150lm/W Solar Rechargeable Street Light With SMD3030 LED Chip

Our Product Introduction

For more products please visit us on solarledstreet-light.com

Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD19-149
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

Product Specification

- Color Temperature: 3000K-6500K
- Panel: Mono Solar Panel
- Material: Aluminum Alloy
- Luminous Flux: 150lm/w
- IP Rating: IP65 Waterproof
- Model Name: All In One Solar Street Lighting
- CRI: Ra>80
- Battery: Lithium Iron Phosphate Battery
- Highlight: 150lumen/w solar led street light,
SMD3030 roads solar led street light,
150lumen/w led solar street lamp

Product Description

Product Description:

Our Solar LED Street Light is the perfect solution for illuminating outdoor areas, such as roads, parks, walkways, and more. It is powered by solar energy, making it cost-effective and environmentally-friendly. The light is automatic, with a Remote Control+Light Control+Radar Sensor, allowing you to control the light remotely and switch it on and off as needed. It is certified to the highest safety standards, with EMC, RoHS, CE, FCC, and LVD certifications, providing you with peace of mind. This model of All In One Solar Street Lighting is equipped with a Mono Solar Panel and produces a luminous flux of 150lm/w. This Automatic Solar Street Lighting is ideal for using solar energy to create a safer and more secure environment, while also taking advantage of the cost-savings that solar energy can provide. Our Solar Rechargeable Street Light is the perfect way to light up your outdoor areas.

Features:

Product Name: Solar LED Street Light
Battery: Lithium Iron Phosphate Battery
Lighting Mode: Remote Control + Light Control + Radar Sensor
Solar Street Lighting Controller
Solar Rechargeable Street Light
Integrated Solar LED Light
Radar Induction
Warranty: 3-5 Years
Life Span: 50,000hrs
Working Temperature: -40 -60

Technical Parameters:

Parameter	Value
CRI	Ra>80
Warranty	3-5 Years
IP Rating	IP65 Waterproof
Material	Aluminum Alloy
Panel	Mono Solar Panel
Led Chip	SMD3030
Life Span	50,000hrs
Luminous Flux	150lm/w
Model Name	All In One Solar Street Lighting
Certification	EMC, RoHS, CE, FCC, LVD
Solar Street Lighting Controller	Yes
Solar Rechargeable Street Light	Yes
Solar Street Lighting System	Yes

Applications:

Yahua Solar Street Lighting YHZ-SSL is a reliable and efficient automated solar LED street light that is ideal for many outdoor lighting applications. It is made with a durable and high-quality material that is capable of withstanding tough weather conditions and provides bright illumination even in low-light areas. The light is powered by a lithium iron phosphate battery that ensures a long life span of up to 50,000hrs and it is equipped with a mono solar panel that provides a luminous flux of 150lm/w. Moreover, it comes with a controller that can be remotely operated and features both light control and radar sensor. The Yahua Solar Street Lighting YHZ-SSL is certified by CE IP65 ROHS ISO, and has a minimum order quantity of 1. Its packaging is anti-collision and shatterproof and it is delivered within 5-8

days. Payment terms include T/T, Western Union and MoneyGram and the supply ability is 3000pcs/month. The price range for Yahua Solar Street Lighting YHZ-SSL is USD19-149.

Support and Services:

Solar LED Street Light Technical Support and Service

We provide technical support and services for our Solar LED Street Light products, including:

Installation instructions

Troubleshooting tips and advice

Product warranty information

Software and firmware updates

Replacement parts and accessories

If you are having difficulty with our Solar LED Street Light products, contact us, and our technical support team will be happy to help.

Packing and Shipping:

Solar LED Street Light Packaging and Shipping

The Solar LED Street Light will be packaged in a cardboard box or plastic bag, depending on the size and weight.

The box/bag will be securely sealed to prevent any damage during shipping.

The Solar LED Street Light will be shipped using a reliable shipping service such as UPS, FedEx, DHL, or USPS.

The customer will be provided with a tracking number to track the shipment.
