

## 3-5 Years Warranty Solar Rechargeable Street Light 150lm/W

### Our Product Introduction

for more products please visit us on [solarledstreet-light.com](http://solarledstreet-light.com)

#### Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: CE IP65 ROHS ISO
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD19-149
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

#### Product Specification

- Material: Aluminum Alloy
- Life Span: 50,000hrs
- Panel: Mono Solar Panel
- Led Chip: SMD3030
- Working Temperature: -40 -60
- Luminous Flux: 150lm/w
- Color Temperature: 3000K-6500K
- Application: Road , Street , Yard, Park, Garden Etc
- Highlight: rechargeable solar led street light 150lm/w,  
Integrated 150lm/w solar led street light,  
rechargeable led solar street lamp 150lm/w

## Product Description

### Product Description:

Our All In One Solar Street Lighting is an ideal choice for outdoor lighting. Powered by solar energy, it has luminous flux of up to 150lm/w, and is equipped with a remote controller, light control, and radar sensor. It is capable of working in extreme temperatures from -40 to 60 . It provides a reliable solar powered LED street light that is easy to install and maintain, with a warranty of 3-5 years. With its solar energy powered street light, our product can save you a lot of energy cost and equally provide a safe and reliable lighting for your outdoor space. Our Solar Street Lighting Controller allows you to adjust the brightness and lighting mode of the street light, giving you more control over your solar street lighting needs.

### Features:

Product Name: Solar-LED Street Light

Led Chip: SMD3030

Color Temperature: 3000K-6500K

Lighting Mode: Remote Control+Light Control+Radar Sensor

Battery: Lithium Iron Phosphate Battery

Warranty: 3-5 Years

Solar Street Lighting Controller

Integrated Solar LED Light

Solar Rechargeable Street Light

### Technical Parameters:

Parameters	Value
Model Name	All In One Solar Street Lighting
Life Span	50,000hrs
Certification	EMC, RoHS, CE, FCC, LVD
Luminous Flux	150lm/w
LED Chip	SMD3030
Color Temperature	3000K-6500K
IP Rating	IP65 Waterproof
Application	Road, Street, Yard, Park, Garden etc
Working Temperature	-40 -60
Panel	Mono Solar Panel
Integrated Solar LED Light	Yes
Solar Street Lighting Controller	Yes
Solar Powered LED Street Light	Yes

### Applications:

Yahua Solar Street lighting offers a comprehensive range of Integrated Solar LED Light Solutions for various applications. It is equipped with a Solar Street Lighting Controller and is powered by solar energy, which makes it an energy-saving and eco-friendly lighting solution. The model YHZ-SSL is certified by EMC, RoHS, CE, FCC, LVD and has a minimum order quantity of 1. It costs USD19-149, and it is packaged in anti-collision and shatterproof packaging. The delivery time is 5-8 days, and payment terms are T/T, Western Union, and MoneyGram. The product is capable of supplying 3000pcs/month. The luminous flux is 150lm/w, and it is powered by a Lithium Iron Phosphate Battery. The LED chip is SMD3030 and the model name is All In One Solar Street Lighting.

The Yahua Solar Street lighting solution is an ideal choice for various applications, such as residential areas, commercial areas, parks,

roads, gardens, and many more. It is equipped with an integrated solar LED light and a solar street lighting controller, which makes it an efficient and convenient lighting solution. The product is easy to install and maintain. Its solar-powered design and energy-saving features make it a great choice for those who want to reduce their carbon footprint. The product is also resistant to shock and vibration, making it an ideal choice for outdoor applications. With its long-lasting performance and energy-efficiency, Yahua Solar Street lighting is a reliable and cost-effective solution for all your lighting needs.

### Support and Services:

We provide comprehensive technical support and service for Solar LED Street Light products. Our technical support team is available 24 hours a day, 7 days a week to answer your questions and provide solutions. Our technicians are well-trained and experienced in the field of solar LED street lighting, and are able to provide detailed guidance on installation, operation, maintenance and troubleshooting. In addition, we provide customized services to meet your specific needs and requirements. We also provide free software upgrades and other value-added services to ensure that our customers get the best and most efficient experience from our products.

### Packing and Shipping:

Solar LED Street Light Packaging and Shipping:

Packaging: The Solar LED Street Light will be packaged in a protective box or carton, making sure it is safe during transit.

Shipping: The Solar LED Street Light can be shipped via air, sea, or ground transportation. Depending on the customer's location, shipping time may vary.
