

LVD Certification All In One Solar Street Lighting With Ra>80 CRI

Our Product Introduction

Basic Information

- Place of Origin: Guangdong China
- Brand Name: Yahua Solar Street lighting
- Certification: EMC, RoHS, CE, FCC, LVD
- Model Number: YHZ- SSL
- Minimum Order Quantity: 1
- Price: USD19-149
- Packaging Details: Anti-collision and shatterproof packaging
- Delivery Time: 5-8 days
- Payment Terms: T/T, Western Union, MoneyGram
- Supply Ability: 3000pcs/month

Product Specification

- CRI: Ra>80
- Working Temperature: -40°C-60°C
- Panel: Mono Solar Panel
- Material: Aluminum Alloy
- Led Chip: SMD3030
- Warranty: 3-5 Years
- Application: Road , Street , Yard, Park, Garden Etc
- Highlight: **SMD3030 solar led light street,**
LVD solar led light street,
CRI 80 led solar street lamp

Product Description

Product Description:

The Automatic Solar Street Lighting System consists of a Solar LED Street Light designed with the latest SMD3030 LED chips and 150lm/w luminous flux. It offers superior lighting performance with its Ra>80 CRI and guaranteed waterproofness with its IP65 rating. The automated solar LED street light is certified with EMC, RoHS, CE, FCC and LVD. With its advanced automated lighting system, the street light can be easily installed and operated without requiring specialized external assistance. The automated solar street lighting system is the perfect choice for those looking for a reliable, efficient and cost-effective way to light up remote streets and roads.

Features:

Product Name: Automated Solar LED Street Light

IP Rating: IP65 Waterproof

Application: Road , Street , Yard, Park, Garden Etc

Led Chip: SMD3030

Model name: All In One Automatic Solar Street Lighting

Color Temperature: 3000K-6500K

Powered by: Solar Energy

Technical Parameters:

Parameter	Value
Integrated Solar LED Light	All In One Solar Street Lighting
Solar Rechargeable Street Light	Lithium Iron Phosphate Battery
Solar Powered LED Street Light	Mono Solar Panel
IP Rating	IP65 Waterproof
Color Temperature	3000K-6500K
Application	Road , Street , Yard, Park, Garden Etc
Material	Aluminum Alloy
Working Temperature	-40°C-60°C
Led Chip	SMD3030
Warranty	3-5 Years

Applications:

Yahua Solar Street Lighting is a comprehensive solar street lighting system with brand name Yahua Solar Street Lighting, Model Number YHZ-SSL, Place of Origin Guangdong China, Certification CE IP65 ROHS ISO, Minimum Order Quantity 1, Price USD19-149, Packaging Details Anti-collision and shatterproof packaging, Delivery Time 5-8 days, Payment Terms T/T, Western Union, MoneyGram, Supply Ability 3000pcs/month, Led Chip SMD3030, Working Temperature -40°C-60°C, Warranty 3-5 Years, Battery Lithium Iron Phosphate Battery, IP Rating IP65 Waterproof.

This premium Solar Street Lighting Controller is the perfect lighting system for lighting up streets, parks, parking lots, and other areas. It uses solar power to provide energy-efficient lighting with a long-lasting LED light source. The controller is equipped with a lithium iron phosphate battery to provide reliable and safe power supply. The IP65 waterproof rating ensures all-weather protection against dust and water, making it suitable for outdoor use. The SMD3030 LED chip is designed to produce brighter light with a longer lifespan. The advanced temperature control system ensures it can work in a wide range of temperatures from -40°C to 60°C. This Solar Powered LED Street Light comes with a 3-5 year warranty, making it a reliable and cost-effective solution for solar street lighting.

The Solar Street Lighting System is an ideal choice for a wide range of applications, including street lighting, parking lots, parks, and more. It is easy to install and maintain, and offers superior performance and energy efficiency. The long battery life and excellent performance make it the perfect solution for long-term illumination. It is a reliable and cost-effective way to light up streets, parks, and other areas.

Support and Services:

We provide technical support and service for Solar LED Street Light. Our technical support team is available 24/7 and can be reached via phone, email or our online support system. We provide detailed installation instructions, troubleshooting information, and replacement parts for all our products. We also offer extended warranties on select products and free replacement parts for any product with a manufacturing defect. Additionally, we offer a 30-day money-back guarantee so you can feel confident that your purchase is risk-free.

Packing and Shipping:

Solar LED Street Light Packaging and Shipping: -----
Solar LED Street Lights are packaged and shipped in sturdy cardboard boxes.
The boxes are cushioned with foam or bubble wrap to protect the lights during transit.
The lights are secured in the box with straps, foam cushioning, or stretch wrap.
The boxes are labeled with product information and shipping address.
The boxes are then packed in larger boxes with extra cushioning material.
The larger boxes are then sealed with tape and labeled with product and shipping information.
The boxes are then shipped to the destination address.
